

California State Lands Commission
presents

An Onshore & Offshore Pollution Prevention
Symposium & Technology Exhibition

September 25-26, 2018

The Westin Long Beach Hotel
Long Beach, California

Commissioners

Gavin Newsom, Lieutenant Governor

Betty T. Yee, State Controller

Michael Cohen, Director of Finance

Jennifer Lucchesi, Executive Officer

Chris Beckwith, Chief, Marine Environmental Protection Division

Marina Voskanian, Chief, Mineral Resources Management Division

www.preventionfirstsymposium.com

TECHNOLOGY EXHIBITION

HOURS
Tuesday, September 25
Open 8 AM to 7 PM

HOURS
Wednesday, September 26
Open 8 AM to 4 PM

Platinum Sponsors

Andeavor
California Resources Corporation LLC
Chevron*
Trelleborg Marine Systems*

Gold Sponsors

Department of Fish and Wildlife, Office of Spill Prevention and Response*
Phillips 66
Valero Energy Corporation

Silver Sponsors

AECOM*
Alaska Tanker Company, LLC
Andeavor Logistics
Beacon West Energy Group
COWI North America*
DCOR, LLC
Eichleay*
Kinder Morgan, Inc.
Moffatt & Nichol*
NRC Environmental Services*
Pacific Maritime Magazine
Port of Long Beach
Shell Martinez Refinery
Sheppard, Mullin, Richter & Hampton LLP*
Simpson Gumpertz & Heger (SGH)*
SPEC Services, Inc.*
Torrance Logistics Company LLC
TransMontaigne

Donors/Exhibitors

Amergent Techs* • Aqueous Corporation* • Atmos International* • Berg-Nelson Co.*
Carmel Corrosion Systems, Inc.* • Chemoil Terminals • CMAC Construction Co.*
Coco Products LLC* • CSU Maritime Academy* • CTEH®, LLC* • Creative Pultrusions, Inc.*
Dixon Valve & Coupling Co.* • Earth Mechanics, Inc. • Emerson Flow*
Five Star Products, Inc.* • Global Diving & Salvage, Inc.* • HullWiper Ltd
IQA Solutions, Inc.* • Jacobs* • Kanon Loading Equipment B.V.* • L3 MariPro*
Longitude 123, Inc./Padre Associates, Inc.* • NuStar Energy • Port of Los Angeles*
ProAct Services Corp.* • Risk Management Professionals* • SOS Safety International*
Techflow Marine Limited* • Turner Designs* • U.S. EPA Region 9* • Vopak

Patrons

Beta Offshore (a subsidiary of Amplify Energy Corp)

InterAct PMTI
*Exhibitors T&T Salvage, LLC as of July 18, 2018

SPONSORSHIP AND EXHIBITOR OPPORTUNITIES

View the Prevention First 2018 Sponsorship Deck online:
http://www.sl.c.ca.gov/About/Prevention_First/PF2018SponsorshipMaterials.pdf

For questions regarding sponsorship and exhibitor opportunities, contact
Dennis Vogel at (562) 499-6312 or by email at Dennis.Vogel@slc.ca.gov.

Symposium Registration Fees

Early Bird Registration (by July 27)\$275

Late Registration (starting July 28)\$350

Registration fee includes two continental breakfasts, refreshments for AM/PM breaks, two lunches, an evening reception, and Symposium materials.

Register by credit card online:

<https://prevention-first-2018.eventbrite.com>

LODGING

Westin Long Beach

The Official Hotel for Prevention First 2018
333 E. Ocean Boulevard, Long Beach, CA 90802

Attendees are responsible for making their own hotel reservations.

A limited number of rooms at the rate of \$185 plus tax for single or double occupancy have been reserved at the Westin Long Beach for conference attendees. Rooms at this rate are available from September 23 – September 27, 2018, depending on availability. The cut-off date for these rooms is 5:00 PM, Sunday, September 2, 2018.

Make your reservations online:

<https://www.starwoodmeeting.com/events/start.action?id=171006660&key=14A03AD8>

PARKING

The Westin Long Beach is offering the following discounted parking rates for Prevention First attendees:

- Discounted day parking – self parking: \$14
- Discount day parking – valet: \$16
- Discounted overnight guest parking – self parking: \$24
- Overnight guest parking – valet: \$28

Bring your parking ticket to the event for validation.

TRAVEL AND GROUND TRANSPORTATION

Attendees are responsible for making their own travel and ground transportation arrangements.

Long Beach is accessible through many airports including Los Angeles International (LAX), Long Beach (LGB), and Orange County/John Wayne (SNA). There are numerous options for ground transportation.

GENERAL INFORMATION

For things to do in Long Beach, see the Long Beach Area Convention and Visitor's Bureau website: www.visitlongbeach.com

Updated event information is available on the Symposium's website:

www.preventionfirstsymposium.com

The California State Lands Commission (CSLC) invites you to its thirteenth biennial conference, Prevention First 2018. Experts and professionals from academia, industry, and government from around the country will gather at this important event to share information and introduce concepts in pollution prevention with a focus on marine invasive species management, environmental protection, marine oil terminal engineering and maintenance standards, pipeline safety, risk analysis, many other areas involving maritime safety and pollution prevention. The accompanying Technology Exhibition will showcase over 40 exhibits relating to pollution prevention at marine terminals and offshore platforms, ballast water treatment, engineering, safety and security products, and associated services.

Tuesday, September 25

8:00 - 9:00 AM	REGISTRATION AND CONTINENTAL BREAKFAST
9:00 - 10:00 AM	GENERAL SESSION AND WELCOMING REMARKS , SALON C & D — Chris Beckwith , Chief, Marine Environmental Protection Division, California State Lands Commission (CSLC) ♦ Marina Voskanian , Chief, Mineral Resources Management Division, CSLC Capt. Tom Cullen , Administrator, Office of Spill Prevention and Response (OSPR), California Department of Fish and Wildlife ♦ Mick Langford , Vice-President and General Manager, Trelleborg Marine Systems North America ♦ TBD , Andeavor ♦ Jennifer Lucchesi , Executive Officer, CSLC
10:00 - 10:30 AM	NETWORKING BREAK (Coffee in the Exhibit Hall)
10:30 - 11:30 AM	KEYNOTE PRESENTATION , SALON C & D — Betty T. Yee , California State Controller; Chair, California State Lands Commission
11:30 AM - 1:00 PM	BUFFET LUNCH
1:00 - 3:00 PM	AFTERNOON BREAKOUT SESSIONS

BARCELONA / CASABLANCA

1A Sea-Level Rise and Climate Change Moderator: Jennifer Mattox, CSLC
Rising Seas and Protecting the Public Trust Jennifer Mattox, CSLC
The Future is Here: Sustainability and Adaptation Madeline Cavelieri, California Coastal Commission
Maritime Industry and the Resilient Port Challenge Jason Giffen, Port of San Diego

SALON C

2A MOTEMS Upgrades Moderator: Justin Wood, P.E., CSLC
Richmond Long Wharf Loading Arm Replacement Project – Building a Business Case for Investment Jack Silva and Karen Boven, Chevron
Richmond Long Wharf Loading Arm Replacement Project – Design and Execution Lessons Learned Bipin Sitaram and Anna Tsai, Chevron
Concrete Damage Repairs of Existing Marine Terminal Bernardo Waisman, P.E., COWI Marine
Shell's Proposed New MOT at POLA Heidi Goebel, P.E., AECOM

SALON D

3A Abandoned and Derelict Vessels Moderator: Judd Muskat, OSPR
Abandoned and Derelict Vessels Overview: California's Jigsaw Puzzle Steve Hampton, Ph.D., OSPR
Abandoned and Derelict Vessels in Law: Legal Definitions, History, and the Present Peter Pelkofer, CSLC
Abandoned and Derelict Vessels in the Delta: Results of a Comprehensive Aerial Survey Annie Daly, University of California, Santa Barbara
Abandoned and Derelict Vessels Up Close: Issues on the Ground and in the Water Mitch Goode, OSPR
Abandoned and Derelict Vessel Programs: Some Solutions from Washington State Troy Wood, Washington State Department of Natural Resources
Abandoned and Derelict Vessel Removal: A Salvor's Perspective Kyle Watson, Global Diving & Salvage, Inc.

TOKYO / VANCOUVER

4A The Evolution of the California Energy System and the Role of Technology Moderators: Donald Paul, USC Energy Institute and Chris Fox, CSLC
Advances in Emissions Control Technology for Marine Operations Anoosheh Oskouian, Shore & Environmental Inc.
The Impact of Digital Transformation on Oil & Gas Operations and HSE Performance Donald Paul, USC Energy Institute
California's Oilfield Technology Delivers Safe, Reliable, Native Production Ester Brawley, California Resources Corporation

3:00 - 3:30 PM NETWORKING BREAK

3:30 - 4:30 PM AFTERNOON BREAKOUT SESSIONS, CONTINUED

1B Reduction of Air Emissions in California's Ports Moderator: Maren Farnum, CSLC
Update on CARB's Marine Programs to Reduce Air Emissions Ziv Lang, California Air Resources Board
San Pedro Bay Ports 2017 Clean Air Action Plan Update Lisa Wunder, Port of Los Angeles; Morgan Caswell, Port of Long Beach

2B Standards for Design of Piers & Wharves Moderator: Alex Augustin, P.E., CSLC
ASCE 61-19 – Seismic Design of Piers & Wharves Gayle S. Johnson, P.E., Simpson Gumpertz & Heger
New ASCE Piers & Wharves Standards Omar Jaradat, Ph.D., P.E., Moffatt and Nichol

3B Emerging Technologies Moderator: Greg McGowan, OSPR
Emerging Technology and Maritime Piloting Capt. John Betz, LA Pilots
Dynamic Under Keel Clearance (UKC) Project for the Port of Long Beach Capt. Kip Loufitt, Marine Exchange of Southern California
What's New Under the Sun? Annie Nelson, OSPR

4B Renewable Energy Resources Moderators: Shahed Meshkati and Greg Pelka, CSLC
Biomass Power – Energy the Natural Way Russell Huffman, Greenleaf Power
Ensuring Compatibility with Current & Emerging Renewable Energy Technologies and the Viability of the DoD Training and Testing Mission Steve Chung, NRSW Regional CPLO, Department of the Navy
Identification of Barriers and Implementation of the Renewable Energy Program In India Shailendra Kumar Pokhriyal, UPES

4:30 - 6:30 PM EVENING RECEPTION

7:30 - 8:30 AM CONTINENTAL BREAKFAST

8:30 - 10:00 AM MORNING BREAKOUT SESSIONS

1C Implementation of Ballast Water Discharge Standards Moderator: Nicole Dobroski, CSLC
Overview of the State Lands Commission's 2018 Report on Ballast Water Treatment Technologies Jonathan Thompson, CSLC
The Golden Bear Research Center: Insights into BWMS Type-Approval Testing Stephen Loiacono, Science Coordinator, California Maritime Academy
Shore-Based Ballast Water Treatment in California: Feasibility, Costs, and Next Steps TBD, Glostien Associates

2C Bulkheads & Geotechnical Issues Moderator: Kendra C. Oliver, P.E., CSLC
ASCE Seismic Design of Bulkheads Pooja Jain, S.E., Moffatt and Nichol
Geotechnical Considerations for Piping Supports Over Bulkheads Uday K. Patil, P.E., G.E., Globus Engineering
POSF Seawall Earthquake Safety & Disaster Prevention Program Rod K. Iwashita, P.E., Port of San Francisco

3C Cosco Busan 11 Years Later Moderator: Yvonne Addassi, OSPR
Cosco Busan 11 Years On: A Restoration Update Steve Hampton, Ph.D., OSPR
Volunteer Management: Making Strides in the Last 10 Years... Cindy Murphy, OSPR

4C Offshore Facilities Decommissioning and Well Abandonment Moderators: Joseph Fabel and Bamdad Rassandana, CSLC
The Legal and Policy Challenges of Offshore Decommissioning in State Waters Seth Blackmon, CSLC
The Regulator's Point of View: Offshore Decommissioning in State Waters James Pierce, California Department of Conservation
California Offshore Oil and Gas Facility Decommissioning Outlook and Challenges John Smith, Bureau of Ocean Energy Management, Pacific OCS Region (Retired)

10:00 - 10:30 AM NETWORKING BREAK

10:30 - 11:30 AM MORNING BREAKOUT SESSIONS, CONTINUED

1D Marine Invasive Species Program Updates Moderator: Nicole Dobroski, CSLC
Ballast Water and Biofouling Management by Vessel Arrivals at California Ports Lina Ceballos-Osuna, CSLC
Status and Trends of Biological Invasions in Coastal Marine Ecosystems of California Based on Recent Monitoring Steve Foss, OSPR
Biofouling Management Regulations at the One-Year Mark: What Have We Learned? Chris Scianni, CSLC

2D Marine Terminal Regulations Moderator: Avinash Nafday, Ph.D., P.E, CSLC
MOTEMS Structural Damping Omar Jaradat, Ph.D., P.E., Moffatt and Nichol
Nonstructural Components, Nonbuilding and Building Structures Rakesh K. Goel, Ph.D., P.E., California Polytechnic State University, San Luis Obispo
California Elder Pipeline Act, Updates Jim Hosler, Office of the State Fire Marshal, Pipeline Safety Division

3D Non-Floating Oil / Salvage Moderator: Jon Victoria, OSPR
Advancements in Non-Floating Oil Detection and Recovery Jim Elliott, T&T Marine Salvage, Inc.
Response to Non-Floating Oils in California Annie Nelson, OSPR
The Interplay of Salvage & Marine Firefighting on Pollution Response and Liabilities Joe Walsh, Clyde & Co. US LLP

4D Managing Well Abandonment and Facility Decommissioning Moderators: Matt Rezvani, CALSTAD and Steve Curran, CSLC
Becker Well Re-Abandonment Project, Summerland Beach, California Michael Giuliani, InterAct
Rincon Island Well Abandonment Mark LeClair, CSLC
Coastal Facilities Decommissioning Challenges – A Review of Recent Decommissioning Projects Mark Steffy, Longitude 123 Inc. and Simon Poulter, Padre Associates, Inc.

11:30 AM - 1:00 PM BUFFET LUNCH

1:00 - 3:00 PM AFTERNOON BREAKOUT SESSIONS

1E Marine Invasive Species Collaborative Research Moderator: Chris Scianni, CSLC
Evaluating Lay-Up Times of Ships as a Risk Factor for Marine Invasions Ian Davidson, Ph.D., Smithsonian Environmental Research Center
Examining Trends in Vessel Movement and Characterizing the Microbiome of Arriving Ballast Water William Gerhard, Ph.D. Candidate, Duke University
Evaluations of In-Water Cleaning & Capture Technologies: Facilitating Innovations in Environmental Protection & Business Development Mario Tamburri, Ph.D., University of Maryland Center for Environmental Science
What Are You Guys Doing Down There? Research Updates from the End of the World... Eugene Georgiades, Ph.D., New Zealand Ministry for Primary Industries

2E Terminals and Marinas Moderator: Helen Galope, P.E., CSLC
MOTEMS Compliance for Multiuse Terminals William Bruin, P.E., Simpson Gumpertz & Heger
Upgrading an Existing Bulk Terminal for New Service Jim Kearney, S.E., COWI Marine
MOTEMS Inspections – Subsequent Audit Process Anthony Mets, P.E., D. CE., and Scott Nordholm, P.E., AECOM
Fragility of Small Craft Marinas Subject to Tsunami Currents Adam Keene, University of Southern California

3E OSPR Statewide: Spill Management Teams, Unannounced Drills and Regulations Update Moderator: Yvonne Addassi, OSPR
A Review of OSPR's Unannounced Spill Management Team Drill Program Cassidee Shinn, OSPR
Marine & Inland Regulations Update Ryan Todd, OSPR

4E Advances in Process Safety Management / Pipeline Safety Moderators: Vanessa Perez and Ricky Lee, CSLC
Introduction to Non-Destructive Testing Techniques and their Use in the Oil Field Mike Williams, California Resources Corporation
Process Safety Management in Refineries Clyde Trombetta, Cal/OSHA Process Safety Management Unit, State of California
Lessons Learned and Advances in Human Factors and Safety Culture in Process Safety Management (PSM) in the Energy Industry: From Up – To Downstream Najmedin Meshkati, University of Southern California
Requirements for Hazardous Liquid Pipelines That Could Impact Environmental and Ecologically Sensitive Areas, Regulatory Update Joshua Cleaver, California Department of Forestry and Fire Protection
Leading Health, Safety, and Environmental Indicators in the Oil Field Nima Jabbari, University of Southern California

3:00 - 4:00 PM DOOR PRIZE DRAWING IN TECHNOLOGY EXHIBITION AREA

Wednesday, September 26
