## *Prevention First 2018*

Dear Potential Sponsor:

The California State Lands Commission (CSLC) will present its thirteenth biennial conference, *Prevention First 2018: An Onshore and Offshore Pollution Prevention Symposium & Technology Exhibition*, on September 25-26, 2018, at The Westin Long Beach Hotel.

*Prevention First 2018* breakout sessions will feature existing and emerging issues relating to marine pollution prevention including marine terminal operations, the Marine Oil Terminal Engineering & Maintenance Standards (MOTEMS), prevention of marine invasive species introduction, onshore/offshore facilities decommissioning, pipeline safety, sea-level rise, spill management team and regulations update, emerging technologies, abandoned and derelict vessels and renewable energy. The accompanying Technology Exhibition is expected to showcase over 40 exhibits relating to pollution prevention at marine terminals and offshore platforms, ballast water treatment, engineering, safety and security products, and associated services. We expect another sell-out crowd of over 500 representatives from both private industry and the public sector to attend this event.

The enlarged exhibit area utilized at the last *Prevention First* symposium proved so successful that it sold out quickly. We will be repeating that layout in 2018. As in the past, early exhibitor registrants have the first selection for premier booth locations.

Please find everything you'll need to sponsor this event and to reserve exhibit space enclosed. Register by May 5, 2018, to be included in the registration brochure. The deadline to be included in the symposium program is June 30, 2018. If you have any questions or topic suggestions, please contact Dennis Vogel at (562) 499-6312 or [dennis.vogel@slc.ca.gov](mailto:dennis.vogel@slc.ca.gov).

Your support and participation will enhance all aspects of the Symposium. I hope you will plan to help us make *Prevention First 2018* a success by joining other industry representatives as a Sponsor and/or Exhibitor. Thank you for your interest.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Beckwith". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Chris Beckwith  
Chief, Marine Environmental Protection Division

# Sponsor Packages

## **\$10,000 Platinum Sponsor**
