SUBJECT: CANCELLATION OF SOLICITATION FOR STATEMENTS OF INTEREST  
PROJECT TITLE: OFFSHORE OIL & GAS PROJECT MANAGER  
BID LOG 2017-03

This letter serves as notification that the above referenced solicitation in its entirety is being cancelled. The staff of the California State Lands Commission has determined that it would be in its best interest to cancel the solicitation and reject all proposals. The decision is made in accordance within the solicitation documents, in which the State Lands Commission reserves the right to accept or reject any or all proposals, or any part thereof and waive any technicalities.

Consultants brought certain matters to our attention, such as that there were inconsistencies and confusing instructions in the solicitation. The grounds for this cancellation are as follows:

- Solicitation scope of work did not clearly identify the level of effort required for consultants.
- Solicitation materials did not clearly identify the competitive rates based on the level of effort.

This solicitation may be re-solicited at a future date. Thank you for your interest. If there are any questions regarding this information, please contact me at 916-574-1871.
