

CALIFORNIA STATE SCHOOL LANDS

 State School Lands (fee)
 County Boundaries

Individual school land parcels represent one section of land (1 square mile) to which the California State Lands Commission holds a fee title interest in either the entire section, or a portion thereof.

No state school lands are located on California's islands, not shown.

Perennial water features shown do not necessarily represent sovereign lands of the State of California.

0 25 50 100 Miles
