

23. (Administration - Personnel Assignment) Supplementing the Commission's discussion of December 19, 1946, the matter of a second position of Assistant Executive Officer was discussed. It was pointed out that a review of the workload of the Division of State Lands and the requirements in the supervisory level of personnel has shown that the assignment of a second position of Assistant Executive Officer is desirable and required for the effective administration and technical supervision of the Division. It was suggested that a correct personnel assignment could be made by the establishment of a second position of Assistant Executive Officer by means of the reclassification of the established vacant position of District Oil and Gas Engineer. Both the Chairman and the Executive Officer indicated that it was the intention that Mr. Watson should occupy the Senior position and would be in charge during the absence of the Executive Officer.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the following:

1. The reclassification of the established position of District Oil and Gas Engineer as a second position of Assistant Executive Officer.
2. The filling of this position from the established eligible list for Assistant Executive Officer, Division of State Lands.

24. (Lots 32 and 33, Tract 1206 - City of Los Angeles - W.O. 222) The Commission was informed of the request received from the Braille Institute of America for permission to use Lots 32 and 33 of Tract 1206, City of Los Angeles, for employees' parking and as access to their library building for the purpose of loading books which are loaned to blind borrowers in Southern California, Southern Nevada and Arizona.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to grant a revocable permit to the Braille Institute of America, Inc. and its employees to use Lots 32 and 33, Tract 1206, City of Los Angeles, at a nominal charge of \$5.00 per month and the statutory \$5.00 filing fee.

25. (Vote of Thanks to County Board of Supervisors - Santa Barbara) Upon motion duly made and unanimously carried, a resolution was adopted directing the Executive Officer to express to the Santa Barbara County Board of Supervisors the thanks and appreciation of the Commission for the use of their chambers for the Commission meeting.

There being no further business to come before the Commission, the meeting was adjourned.
