

Joaquin River with no fee or rental required. Said easements were issued as two parcels in one instrument. The County Surveyor of Stanislaus County has now changed the route of the crossing at Grayson and instead of a bridge plans to construct a causeway.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to amend the area description under Easement P.R.C. 371, Parcel 2, to describe the proposed route of the causeway across San Joaquin River at Grayson.

29. (County of Yolo - Application for permission to dredge sand from Sacramento River - W.O. 526, P.R.C. 466) The Commission was informed that the County of Yolo has applied for a permit to dredge approximately 10,000 cubic yards of sand from Sacramento River at a point approximately one mile upstream from Clarksburg, said sand to be stockpiled for use on County roads, not for commercial use.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to issue to the County of Yolo a permit for removal by dredging of approximately 10,000 cubic yards of sand from Sacramento River at a location approximately one mile upstream from Clarksburg, said sand to be stockpiled for use on county roads only, no rental or royalty to be required, subject to the existence of a U. S. Engineer District permit for the dredging.

30. (M. Hallissy - Application for Lease of Tide and Submerged Lands in Carquinez Straits near Crockett, Contra Costa County - W.O. 431, P.R.C. 467) Mr. M. Hallissy has applied for a lease of a small area of tide and submerged lands in Carquinez Straits waterward of Tide Land Survey 32, Contra Costa County, at Eckley, near Crockett. Boundary lines of State land in this vicinity have not been definitely established. Mr. Hallissy has been using State lands for his fishing resort for an unknown length of time. Filing fee and expense deposit have been paid.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to issue a lease to Mr. M. Hallissy of a small area, not to exceed one acre, of tide and submerged lands in Carquinez Straits waterward of Tide Land Survey 32, Contra Costa County, now used by Mr. Hallissy, for a period of five years with right of renewal for an additional period of five years at such terms and conditions as the Commission may then determine. Annual rental to be \$50.00. Boundary of State land and metes and bounds description of leased area to be determined at a later date and attached to the lease as an amendment. Lease to require removal of structures at expiration of lease and bond in amount of \$1,000. to be filed guaranteeing performance of lease provisions.

31. (Division of Highways - Request for Right of Way Easement Over Big River, Mendocino County - W.O. 223, P.R.C. 468) The Commission was informed that the Division of Highways has requested a right of way easement for a bridge over Big River in Mendocino County pursuant to Section 101.5 Streets and Highways Code. The requested easement is 100 feet wide and 437 feet in length, a portion of which may be over tidelands previously sold by the State. No fee or rental is required.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to issue a right of way easement to the Division of Highways for a bridge crossing over Big River in Mendocino County including any interest the State may have over tidelands previously sold, such easement to be indicated by the signature of the Executive Officer on the standard type of map prepared by the Division of Highways, and without fee or rental.
