

10. (SALARY ADJUSTMENTS, JULY 1, 1951, EXEMPT POSITIONS - PERSONNEL.) The Commission was informed that at the meeting held July 6 and 7, 1951, the State Personnel Board adjusted salary ranges for nearly all classes of Civil Service employees. This action did not include exempt positions. Increases have been granted to classes immediately below that of Executive Officer, thus affecting internal salary relationships adversely.

Department of Finance Circular Letter No. 751-20, dated July 9, 1951, approved increases for a large number of exempt positions, but deferred action on others, including that of the Executive Officer, State Lands Commission. The circular letter contained the following statement: "Increases for classes for which ranges have not been established nor classification studies undertaken will require in most cases initial action by the appointing power."

UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, A RESOLUTION WAS ADOPTED APPROVING REVISION OF THE SALARY RATE FOR THE POSITION EXECUTIVE OFFICER, STATE LANDS COMMISSION, FROM \$745 IN THE RANGE (\$613-\$745) AUTHORIZED FEBRUARY 28, 1951, TO \$782, EFFECTIVE JULY 1, 1951, IN THE RANGE (\$644-\$782). IN ADDITION, THE EXECUTIVE OFFICER, AS APPOINTING POWER, IS AUTHORIZED TO EXECUTE AND SUBMIT DOCUMENTS AS NECESSARY TO EFFECT THE REVISION.

11. (REVISION OF RULES AND REGULATIONS OF STATE LANDS COMMISSION - W.O. 278.) At the meeting of the Commission on February 28, 1951 (Minute Item 14, Pages 1288-1320), proposed revisions of the Rules and Regulations of the State Lands Commission were presented, and the Executive Officer was authorized to conduct the public hearings prescribed by the Code of Administrative Procedure. At the Commission meeting of April 12, 1951 (Minute Item 19, Pages 1332-1356), the Rules and Regulations submitted on February 28, 1951, were approved by the Commission with certain specific amendments.

On May 21, 1951, a public hearing was held in Room 115, 217 West First Street, Los Angeles, California, by the Executive Officer, at which each and every one of the Rules and Regulations was presented to those attending, and discussed with them. A hearing was also held in the Business and Professions Building, Sacramento, California, at 9.00 a.m., May 25, 1951, by the Executive Officer.
