27. (APPLICATION FOR AMERICARET, LEASE P.R.O. 600, UNION OIL COMPANY OF CALIFORNIA, OLSUM, CONTRA COSTA COUNTY - W.O. 1101.) Union Oil Company of California has applied for an amendment to lease P.R.C. 600 hold by that company covering two percels of tide and submerged lands at Cheume. It is desired to extend the existing pier to include an additional three-denths, more or less, here of tide and submerged land which has been appraised at \$1,250.00 per acre. The increased area, with an appraised value of \$437.50, calls for an increase in rental of \$28.69 amountly. The part sumiversary date of the present bease is April 6, 1982, with fourteen years remaining.

UPON MOTION DULT MADE AND DNAMINOUSLY CARE ON. A RESOLUTION WAS ADOPTED AUTHORIZING THE EXECUTIVE OFFICER TO ANNAL LEASE P.R.C. 600, ISSUED TO UNION OIL COMPANY OF CALIFORNIA, BY ADDING C. SLOG ACRE TO PARCEL 2 AS DESCRIBED IN SAID LEASE, AND BY INCREASING THE ANNUAL RENTAL BY THE AMOUNT OF \$28.69, EFFECTIVE APRIL 6, 1952, FOR THE FOURTERS THATS AFTER THAT DATE TO THE DATE OF EXFIRATION ON APRIL 5, 1966.

29. (PROSPECTING PERMIT, MR. DAVID CROMLEY, SAN MATEO COUNTY - P.R.C. 561.) Prospecting Permit P.R.C. 561 was issued to Mr. David Growley on November 30, 1950, to permit prospecting for syster and other marine shells in the tide and submarged lands of Corksores Slough and Deepenter Slough, San Mateo County. The permit requires that the permittee shall commance the work of prospecting within six months of the date of issuence. The permittee has now requested an axtension of time for one year within which to commande such operations, and has also requested the issuence of a new permit to previde for an extended date of expiration of the two-year prespecting permit term. The application for extension of time to commance operations is based on the requirement of time involved in preparation of marine equipment for pusping shells, and states that such work is well under way including the caulking of a vessel and the installation of pusping and processing machinery.

Under Section 6891 of the Fublic Resources Code the Commission may, in its discretion, extend the term of any permit for a period not expeeding one year
