23. (BID FOR SAND AND GRAVEL LEASE, TIDE AND SUBMERGED LANDS, ROCKAWAY BEACH, SAN MATEO COUNTY, KEN ROYCE, INC. - W. O. 1095.) On August 21, 1952 (Minute Item 22, Pages 1603-1606), the Commission postponed action on the application of Ken Royce, Inc. for a lease to remove sand and gravel from approximately five acres of tide and submerged lands at Rockaway Beach, San Mateo County, pending further study of the possibility of permanent damage to the beaches in the area in question. A field inspection of the subject area was made January 16, 1953, by Lieutenant Governor Knight and Controller Kirkwood, in company with representatives of the San Mateo County Planning Commission, Board of Supervisors, San Mateo County, and Staff.

A further review of all factors has shown that insufficient data are available to permit a reasonable conclusion that no permanently damaging effects to the proposed lease area and littoral lands might result from sand and gravel extraction operations.

The Executive Officer is authorized to reject the bid of Ken Royce, Inc. for a mineral extraction lease under W.O. 1095 and to refund all deposits made by the bidder with the exception of the statutory \$5 application filing fee.
