

The Executive Officer is authorized to amend Lease P.R.C. 374, issued to the County of Los Angeles, Paragraph 4 of said lease to read "That the described land shall be used during the term hereof only for lawful commercial purposes, as an aviation landing field, and for automobile time trials as said time trials may be approved by the lessee, the State to be held harmless and free of liability caused by any loss, damage, claim, demand or action arising from said use", all other terms and conditions of the lease to remain in full force and effect without change.

15. (SUBMARINE GEOPHYSICAL EXPLORATION, MONTEREY, SANTA CRUZ AND SAN MATEO COUNTIES, STANDARD OIL COMPANY OF CALIFORNIA - W.O. 1417, P.R.C. 806.1.) The Standard Oil Company of California has made application for authorization of the conduct of submarine geophysical exploration operations on those tide and submerged lands, under the jurisdiction of the State Lands Commission, lying southerly of a line drawn due west from Point San Pedro (San Mateo County) and northerly of a line drawn due west from Point Sur (Monterey County). Permit for the proposed operations has been requested for a 90-day period from June 1, 1953. The Boards of Supervisors of the Counties of San Mateo, Santa Cruz and Monterey have been informed that this application is to be considered and each of the respective Boards of Supervisors has reported that there are no objections to the conduct of the proposed operations. The Department of Fish and Game on April 10, 1953, authorized the use of explosives in connection with the operations during the period April 1, 1953, to July 1, 1953.

UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, IT WAS RESOLVED AS FOLLOWS:

The Executive Officer is authorized to issue a permit to the Standard Oil Company of California for the conduct of submarine geophysical exploration operations on those tide and submerged lands, under the jurisdiction of the State Lands Commission, lying southerly of a line drawn due west from Point San Pedro, San Mateo County, and northerly of a line drawn due west from Point Sur, Monterey County, for the period June 1, 1953 to August 29, 1953, inclusive, no permit fee to be required beyond the statutory \$5 application filing fee, the permittee to reimburse the Division of State Lands for all of its inspection costs.

16. (SUBMARINE GEOPHYSICAL EXPLORATION, HUMBOLDT AND DEL NORTE COUNTIES, STANDARD OIL COMPANY OF CALIFORNIA - W.O. 1415, P.R.C. 807.1.) The Standard Oil Company of California has made application for authorization of the conduct of submarine geophysical exploration operations on those tide and submerged lands, under the jurisdiction of the State Lands Commission, lying southerly of the California-Oregon Border, and northerly of a line drawn due west from Punta Gorda (Humboldt County). Permit for such operations has been requested for a 90-day period from June 1, 1953. The Boards of Supervisors of the Counties of Humboldt and Del Norte were informed that this application is to be considered and both Boards have reported that there is no objection to the conduct of the proposed operations. The Department of Fish and Game, on April 10, 1953, authorized the use of explosives in connection with the proposed operations during the period April 1, 1953, to July 1, 1953.

18. (ACQUISITION OF LEASEHOLD BY THE UNITED STATES FOR STATE SCHOOL LANDS LYING WITHIN THE MARINE CORPS TRAINING CENTER, TWENTYNINE PALMS, CALIFORNIA - W.O. 1388, P.R.C. 1315.2.) On July 16, 1952, there was filed in the U. S. District Court, Southern District of California, Central Division, a Complaint in Condemnation for acquisition by the United States of a leasehold of lands comprised in the site of the Marine Corps Training Center, Twentynine Palms, California; and on August 21, 1952, an Order of Immediate Possession was granted. Subsequently negotiations were undertaken with the Office of the Eleventh Naval District with respect to an agreement on the terms of the proposed leasehold. There are involved 29,214.70 acres of State school lands, and the United States desires to use these as a part of lands comprising over
