CALENDAR ITEM

OIL \& GAS
13.
(REQUEST FOR DEFERMENT OF DRILLING REOUIREMENIS, P.R.C. 186.1, MONTEREY OIL COMPANY, SEAL BEACH, ORANGE COUNTY - W. 0. 3043.)

Oil and Gas Lease P.R.C. 186.1 issued September 24, 1945, pursuant to competitive public bidding, in accordance with the provisions of Di rision 6. of the Public Resources Code, is now held by the Monterey Oil Company and The Texas Company, with Monterey Oil Company designated as operator.

On May 13, 1958, Minute Item 8, page 4018, the Commission authorized a dererment of drilling requirements to November 13, 1958 in order to minimize the congestion that would occur on the 75 -foot-diameter drilling island if drilling operations were continued during the time required for the construction of a proposed wharf to be used in conjunction with a pilot water flood. Due to unforeseen difficulties encountered in developing engineering pians and delay in the delivery of the equipment, the construction operations have fallen behind schedule.

A request has been received from the Monterey Oil Company for a further deferment of drilling requirements until March 15, 1959.

IT IS RECOMMENDED THAT THE COMMSSION AUTHORIZE THE EXECUTIVE OFFICER TO GRANT TO THE MONIEREY OIL COMPANY, OPERATOR, A DEFERMENT OF DRILLING REQUIREMENTS UNDER OIL AND GAS LEASE P.R.C. 186.1 TO MARCH 25, 1959; AL工 OTHER TERMS AND CONDIMTN: OF THE LEASE TO REMAIN IN FULU FORCE AND EFHECT.
