No change in status from the report given at the June and July meetings; i.e., the trial in this action has been reset for September 28, 1959.

County of Orange vs. State of California, et al.
Orange County Superior Court

(Claim by Orange County that a legislative grant to the County of tide and submerged lands in Newport Bay conveyed to the County all tide and submerged lands within the County (with the exception of a grant to the City of Newport Beach).)
