APPLICATION FOR AMENDMENT OF LEASE P.R.C. 3016.1, COVERING SUBMARINE FLOW-LINE EASEMENT, SANTA BARBARA COUNTY; SHELL OIL COMPANY - W.O. 5141.

Lease P.R.C. 3016.1, covering a submarine flow-line easement from an ocean-floor well-head to an onshore point in Santa Barbara County, was issued to Shell Oil Company on May 23, 1963. The line is used for the movement of production from State Well No. 3, located on Shell Oil Company-Standard Oil Company Lease P.R.C. 2920.1.

Shell Oil Company has requested that the legal description be amended to reflect the location of the line as constructed, which differs slightly from the planned routing (see Exhibit "A" W.O. 5139). The amended legal description will result in an increased acreage and a consequent increase in the annual rental from \$187.54 to \$196.78.
