

## 68. PROPOSED LEGISLATIVE PROGRAM - 1970 GENERAL SESSION - W-7070.2.

The Chairman called attention to Item No. 6 of Minute Item No. 37 of the Commission meeting of October 2, 1969, proposing consideration of the addition of Article 4 to Chapter 4, Part 1, Division 6 of the Public Resources Code, to establish procedures pertaining to tideland grants, with the draft of proposed legislation to be brought back to the Commission for consideration of concurrence and endorsement and indicated that he had reservations regarding private recreational piers. The Commission indicated that the Division should proceed with the processing of the proposed legislation.
