STATUS OF MAJOR LITIGATION - W.O.s 503.510, 4721, 503.527, 503.562, 1339, 503.554, 503.546, 4926, 503.456, 1839.24, 6987, 1839.28, 503.539, 503.577, 503.569, 503.610, AND 503.641.

The following information is current as of June 4, 1970:

1. Case No. 892295 W-503.510
 Miller vs. City of Santa Monica, et al.
 Los Angeles County Superior Court

(An action by private upland owners involving title to tidelands that have artificially accreted. Both the State Lands Commission and the Division of Beaches and Parks have interests to protect.)

No change; i.e., The City and the State have not filed any Demurrer or Answer as yet. However, the City and the State have entered into a Stipulation with the Plaintiffs in lieu of a preliminary injunction. The Stipulation restrains the Plaintiffs from building in the disputed area, and restrains the City and the State from removing any improvements thereon.

2. Case No. 5 Original in the United States Supreme Court W-4721
 United States vs. State of California

(Relating to the location of the offshore boundaries between lands under the paramount jurisdiction of the United States and lands owned by the State, for such purposes as minerals. A Supplemental Decree was entered in this case, settling the principal controversies between the State and the United States, but reserving jurisdiction in the United States Supreme Court to settle any remaining controversies.)

No change; i.e., The State Lands Division is in correspondence with the Federal Government concerning the status of certain offshore rocks in the vicinity of Carpinteria as low-tide elevations. If these rocks are low-tide elevations, they will constitute base points for determining the seaward limits of State ownership and could substantially enlarge the extent of State ownership in this particular area.

3. Case No. 57239 W-503.527
 White vs. State of California W-503.562
 Sonoma County Superior Court

(Quiet title action against the State to determine a property boundary along the Petaluma River, Sonoma County.)

Appellant's Opening Brief is being prepared by the Attorney General's Office, and is due to be filed by June 23, 1970.

4. Case No. 48620 W-1339
Alameda Conservation Association, et al. vs. W-503.554
State of California, et al.
United States District Court, Northern District

(Action for declaratory relief and an injunction against the State of California, certain of its officers and officials, and Leslie Salt Co., seeking to invalidate the boundary settlement and exchange of lands between the State of California and Leslie Salt Co.)

No change; i.e., The matter was argued before the United States Court of Appeals for the Ninth Circuit in San Francisco on April 14, 1970. The matter is now submitted, and we are awaiting a decision.

5. Case No. LA 29534 W-503.546
Atlantic Oil Company, et al. vs. County of Los Angeles,
et al. and Humble Oil and Refining Company, et al. vs.
City of Los Angeles
Supreme Court of the State of California

(An action by various oil companies to recover ad valorem taxes. It is anticipated that this case may constitute a significant precedent which could affect State revenues from the Long Beach tidelands in excess of \$100 million.)

The parties to the pending ad valorem tax litigation are in the process of amending their pleadings and taking the procedural steps necessary to an early activation of this litigation.

6. Case No. 4 Civil 9344 in the State Supreme Court W-4926
County of Orange, et al. vs. Heim, State of California -
Real Party in Interest

(Petition for Writ of Mandate involving the legality of the Upper Newport Bay Exchange approved by the State Lands Commission.)

This matter is set for trial on June 16, 1970. On May 26, 1970, Respondent filed Motions for Continuance and for Leave to Take Depositions on those who were members of the State Lands Commission in September 1967 when the land exchange was approved. The Attorney General took no position in opposition to the Motions for Continuance, but did on the Motions for Depositions. The Trial Court denied all motions. On May 29, 1970, Respondent filed a Petition for Writ of Mandate in the Court of Appeal for the Fourth Appellate District to compel the Trial Court to allow the requested depositions. The Attorney General has filed Points and Authorities in Opposition to the Issuance of an Alternative Writ. A decision as to whether or not there will be a hearing on the Alternative Writ should be handed down during the week of June 8, 1970. Ralph B. Perry, Esquire, has informed the Court that he has been forced to leave the case as attorney for Interveners. It is not known at this time whether Interveners will be represented by other counsel or will ask leave to appear in pro per.

- No change; i.e., Plaintiffs have filed a Notice of Appeal and Request for Preparation of Clerk's and Reporter's Transcripts.
8. Case No. 32824 W-1839.24
People vs. William Kent Estate Company
Marin County Superior Court
- (Retrial of an action to abate a public nuisance (a fence erected and maintained perpendicular to the shoreline) on the Pacific Ocean side of the Bolinas Lagoon Sandspit. The case involved a judicial interpretation of the statutory phrase "Ordinary High Water Mark.")

9. Civil Case No. 144257 W-6987
W-1839.28

San Mateo County Superior Court
- (A declaratory relief action to determine what interests were conveyed in trust to the County of San Mateo by Chapter 1857, Statutes of 1965.)
- No change; i.e., The Superior Court granted the Motion of the Sierra Club and the Save San Francisco Bay Association to intervene as party, subject to their limiting the issues to those raised in the State's original Complaint. Further developments await completion of factual study.
10. Civil Case No. 125379 (companion case to No. 144257 above) W-503.539
County of San Mateo vs. Ideal Cement Company, et al.
San Mateo County Superior Court
- (In order to obtain uniformity of decision, the State has filed an Answer to the Complaint. This action is a condemnation matter brought by the County of San Mateo, concerning lands located within the aforementioned statute (Ch. 1857/65). The State contends that said lands were granted in trust to the County or, in the alternative, that the County received an easement over said lands in trust which permits the County to use the subject property for the purposes contemplated by the condemnation action.)
- No change; i.e., The matter is awaiting pretrial developments.

11. California State Supreme Court Case LA-29700, W-503.577
City of Long Beach vs. Mansell, et al.
(The State of California, acting by and through the State Lands Commission, is one of the real parties in interest.)

(This is an action to approve Settlement Agreements between the City, the State, and affected private parties, for the resolution of complex title problems in the Alamitos Bay area of the City of Long Beach. The purpose of the lawsuit is to test the constitutionality of the statute under which the Agreements were negotiated.)

No change; i.e., The matter was argued before the California Supreme Court in Los Angeles on April 7, 1970. The case is submitted, and we are awaiting a decision.

12. Case No. SOC 21023 W-503.⁶⁰⁹~~569~~
City of Long Beach vs. Radford, et al.
Los Angeles County Superior Court
and
Case No. 171042 W-503.610
City of Long Beach vs. Matthews, et al.
Orange County Superior Court (transferred from Los Angeles County Superior Court)

(These are two condemnation actions filed by the City of Long Beach to obtain title to parcels of property lying between Ocean Boulevard in Long Beach and the public beach, as a part of the City's over-all acquisition program to obtain substantially all waterfront property in public ownership. The State of California has been named as a defendant because the seaward boundary of the affected parcels may be the landward boundary of sovereign lands granted by the State to the City of Long Beach in trust.)

In the Radford case, the State has filed Interrogatories, and has been served with a Motion to Compel Further Answers. The matter was heard before Judge Wisot on June 5, 1970, and the matter was continued until September 1, 1970, to enable the State to see if it can more specifically answer.

In the Matthews case, the matter is set for trial in January 1971, and the State has answered the Interrogatories of Defendants Matthews. Said Defendants will make a motion on June 12, 1970, to compel further answers.

13. Case No. 838005 W-503.641
Union Pacific Railroad Company, et al. vs. City of Long Beach
Los Angeles County Superior Court.

(Suit attacking the City of Long Beach business license tax for oil production. That portion of the ordinance providing for revenues from unitized tideland operations was declared unconstitutional.)

No change; i.e., On appeal. (The outcome of this litigation could affect State revenues by many millions of dollars, and it probably will be necessary for the Attorney General, on behalf of the State Lands Commission, to appear as Amicus Curiae in this case.)
