STATUS OF MAJOR LITIGATION - W.O.s 503.510, 4721, 503.527, 503.562, 1339, 503.554, 503.546, 4926, 503.456, 1839.24, 6987, 1839.28, 503.539, 503.609, 503.610, 503.641, AND 503.534.

The following information is current as of June 8, 1971.

1. Case No. 892295 W 503.510
 Miller vs. City of Santa Monica, et al.
 Los Angeles County Superior Court

(An action by private upland owners involving title to tidelands that have artificially accreted. Both the State Lands Commission and the Division of Beaches and Parks have interests to protect.)

No change; i.e., The case is being reactivated, and the State and the City have taken a number of depositions that tend to show that the area in controversy is subject to the doctrine of implied dedication to the public. Other issues receiving close study are the questions of artificial accretion and the effect of a boundary line agreement entered into several decades ago.

2. Case No. 5 Original in the United States Supreme Court W 4721
 United States vs. State of California

(Relating to the location of the offshore boundaries between lands under the paramount jurisdiction of the United States and lands owned by the State, for such purposes as minerals. A Supplemental Decree was entered in this case, settling the principal controversies between the State and the United States, but reserving jurisdiction in the United States Supreme Court to settle any remaining controversies.)

No change; i.e., The Department of the Interior has sent a copy of revised regulations relating to the Channel Islands National Monument, including the lands within one mile of Anacapa Island which are in dispute between the State and the United States. The regulations have been revised so as to exclude any reference to salvage operations and, with this change, the Attorney General's Office does not consider that these regulations impinge upon any rights claimed by the State of California.

3. Case No. 57239 W 503.527
 White vs. State of California W 503.562
 Sonoma County Superior Court

(Quiet title action against the State to determine a property boundary along the Petaluma River, Sonoma County.)

No change; i.e., Petition for a Rehearing filed by White has been granted. The case is now submitted for that Rehearing.

4. Case No. 48620

Alameda Conservation Association, et al. vs.
State of California, et al.
United States District Court, Northern District

W 1339
W 503.554

(Action for declaratory relief and an injunction against the State of California, certain of its officers and officials, and Leslie Salt Co., seeking to invalidate the boundary settlement and exchange of lands between the State of California and Leslie Salt Co.)

FINAL REPORT: An Order was entered by the Federal District Court affirming the dismissal of the action as against all defendants except Leslie Salt Co. Therefore, the matter as to the State is now concluded.

5. Ad Valorem Tax Litigation

W 503.546

(Various actions by oil companies to recover ad valorem taxes. The potential fiscal impact upon the State of this litigation is substantially in excess of \$100 million.)

The Attorney General has prepared and distributed Proposed Complaints in Intervention and Stipulations for Intervention in approximately 20 pending cases. Discussions with counsel are proceeding in order to secure the execution of said Stipulations. Failing Stipulations, it will be necessary for the State to make Motions to Intervene.

6. Case No. M-1105 (formerly Case No. 4 Civil 9344) in the State
Superior Court

W 4926

County of Orange, et al. vs. Heim, State of California - Real Party
in Interest

(Petition for Writ of Mandate involving the legality of the Upper Newport Bay Exchange approved by the State Lands Commission.)

The Record on Appeal is in the course of preparation.

7. Case No. 283455

Dillon vs. Atchison, Topeka and Santa Fe Railway Company
San Diego County Superior Court

W 503.456

(To determine whether or not Tideland Survey No. 17 is valid, based upon Patent from the Governor of about 1871.)

No change; i.e., Clerk's and Reporter's Transcripts on Appeal have been filed with the Court of Appeals, and the State is awaiting appellants' Opening Brief.

8. Case No. 32824 W 1839.24
People vs. William Kent Estate Company
Marin County Superior Court

(Retrial of an action to abate a public nuisance (a fence erected and maintained perpendicular to the shoreline) on the Pacific Ocean side of the Bolinas Lagoon Sandspit. The case involved a judicial interpretation of the Statutory phrase "Ordinary High Water Mark.")

Judgment was entered adverse to the State's contentions. Decisions are pending concerning further proceedings.

9. Civil Case No. 144257 W 6987
State of California vs. County of San Mateo, et al. W 1839.28
San Mateo County Superior Court

(A declaratory relief action to determine what interests were conveyed in trust to the County of San Mateo by Chapter 1857, Statutes of 1965.)

No change; i.e., The Superior Court granted the Motion of the Sierra Club and the Save San Francisco Bay Association to intervene as party, subject to their limiting the issues to those raised in the State's original Complaint. Further developments await completion of factual study.

10. Civil Case No. 125379 (companion case to No. 144257 above) W 503.539
County of San Mateo vs. Ideal Cement Company, et al.
San Mateo County Superior Court

(In order to obtain uniformity of decision, the State has filed an Answer to the Complaint. This action is a condemnation matter brought by the County of San Mateo, concerning lands located within the aforementioned statutes (Ch. 1857/65). The State contends that said lands were granted in trust to the County, or in the alternative, that the County received an easement over said lands in trust which permits the County to use the subject property for the purposes contemplated by the condemnation action.)

No change; i.e., Stipulation has been signed by all parties, continuing any further proceedings in the case until there is a resolution of the issues presented in State of California vs. County of San Mateo, et al., Case No. 144257 (see No. 9 above).

Los Angeles County Superior Court
and
Case No. 171042 W 503.610
City of Long Beach vs. Matthews, et al.
Orange County Superior Court (transferred from Los Angeles
County Superior Court)

(These are two condemnation actions filed by the City of Long Beach to obtain title to parcels of property lying between Ocean Boulevard in Long Beach and the public beach, as a part of the City's over-all acquisition program to obtain substantially all waterfront property in public ownership. The State of California has been named as a defendant because the seaward boundary of the affected parcels may be the landward boundary of sovereign lands granted by the State to the City of Long Beach in trust.)

In the Radford case:

Trial has commenced in Department 40 of the Los Angeles County Superior Court.

In the Matthews case: No change; i.e., Trial has been continued to July 26, 1971.

12. Case No. 838005 W 503.641
