

STATUS OF MAJOR LITIGATION.

Mr. N. Gregory Taylor, Assistant Attorney General, reported on the following cases:

CALIFORNIA V. NEVADA

W 503.885

Nevada has filed a motion seeking to expand the issues. The State is filing in opposition and is also amending its complaint setting forth that if the acquiesce boundary is not the boundary, California wants a resurvey of the true boundary.

HIGH WATER/LOW WATER

W 503.882

The State has filed its opening brief with the Court of Appeal on an appeal of an injunction issued against the Commission where the State hopes to have the court consider the high water, low water controversy. In addition, the State filed a motion to transfer the case to the Supreme Court.

DAVIS LAKE, COLORADO RIVER

W 503.934

The State of Arizona has filed in opposition to California's request to file the complaint in the United States Supreme Court. California is preparing a response to their objection. The Federal Government is expected to advise California of their position shortly. Arizona wants the case brought in the Federal District Court.
