REVISION IN LEASE RENTAL
AFTER ROUTINE REVIEW

PRC 4083

This is a Right-of-Way lease for a term of 49 years from October 1, 1968, with an existing annual rent of \$20, covering a 0.10 acre parcel of tide and submerged land at Rough and Ready Island, San Joaquin County, for an existing 12 KV powerline.

The lease listed below provides that the State may adjust the annual rental at a different amount for the 5-year term following the fifth anniversary of the lease, effective on such anniversary date.

The value of the land covered by the lease has been considered and it has been determined that the minimum rental rate should apply. The lessee was notified of the amount within the time constraints set by his lease.
