DREDGING PERMITS

In accordance with the Commission's delegation of authority to the Executive Officer for issuance of dredging permits of 10,000 cubic yard or less, permission was granted to perform maintenance dredging on State-owned lands to the following parties:

Leucadia County Water District
P. O. Box 2397
Leucadia, California 92024

Attn: E. S. Elliott

A maximum of 100 cubic yards during each emergency project, spoils to be placed upon State-owned lands; a royalty of \$0.25 per cubic yard shall be paid for material placed on private property or used to any private or commercial benefits; permit expires March 31, 1988.

EXHIBITS: A. Legal Description. B. Location Map.

Trinity Sand and Gravel
P. O. Box 1390
Weaverville, California 96093

Attn: R. L. Marshall

A maximum of 5,000 cubic yards of sand and gravel from October 1, 1978 to September 30, 1979; a royalty of \$0.25 per cubic yards shall be paid for material placed on private property or used to any private or commercial benefits.

EXHIBITS: C. Legal Description. D. Location Map.

In accordance with this permission it has been determined that the following conditions have been met:

1. That the proposed projects are categorically exempt from the requirements of CEQA.
2. That the issuance of the permits will not have a significant effect on the environment.
3. That the project will have no significant effect upon the environmental characteristics identified pursuant to Section 6370.1, et seq. of the P.R.C.
