AUTHORIZATION TO FILE DISCLAIMER

The State Lands Commission is a party to a condemnation action brought by the United States entitled, United States of America v. 160.00 Acres of Land, etc., et al., filed in the United States District Court for the Eastern District of California, No. S76-529-PCW. The land is to be used in connection with the New Melones Dam and Reservoir.

Upon examination of the Commission's records pertinent to the area, it has been ascertained that there is no interest held by the State Lands Commission as to the tract of land described in the notice of condemnation.

Inasmuch as this suit involves land over which the Commission has no jurisdiction, it is recommended that a disclaimer be filed on behalf of the State Lands Commission disclaiming any compensable right, title or interest in the tract of the subject condemnation.
