1. Lease PRC 918.1 was originally issued to Mervyn J. Goodman by a document executed April 7, 1954. An assignment of the lease was executed by an instrument of the same date to Piombo Construction Company, a one-third interest, and Charles L. Harney, a two-thirds interest. These actions were ratified by the Commission on April 17, 1954 (Minute Item No. 14, pages 2068 and 2069). Mr. Harney's interest was later transferred equally to the Harney Foundation, and to Pauline E. Harney, his widow. The pertinent documents on file reflect the transferred interest.
2. The first renewal option in lease PRC 918.1 has been exercised by the lessee for a 10-year period extending from February 19, 1969 thru February 18, 1979. The Commission approved such renewal at its meeting of April 28, 1969 (Minute Item No. 5).
3. The lessee has notified the staff of the intent to exercise the second 10-year option, as provided in the lease document. The staff has reviewed this matter and finds the proposal to be consistent with the lease.
