AUTHORIZATION TO FILE DISCLAIMER

The State Lands Commission is a party to a United States condemnation action brought by the United States Attorney entitled United States of America v. 7.34 Acres of Land, More or Less, etc., et al., Sacramento County, filed in the United States District Court, Eastern District of California, Civil No. S79-82-PCW involving land in Sacramento County to be used in connection with the Water Pollution Abatement (Sanitary Sewage Project at McClellan Air Force Base, California) United States Department of the Air Force.

Upon examination of the Commission's records pertinent to the area, it has been ascertained that there is no ownership interest held by the State Lands Commission as to the tract of land described in the notice of condemnation.

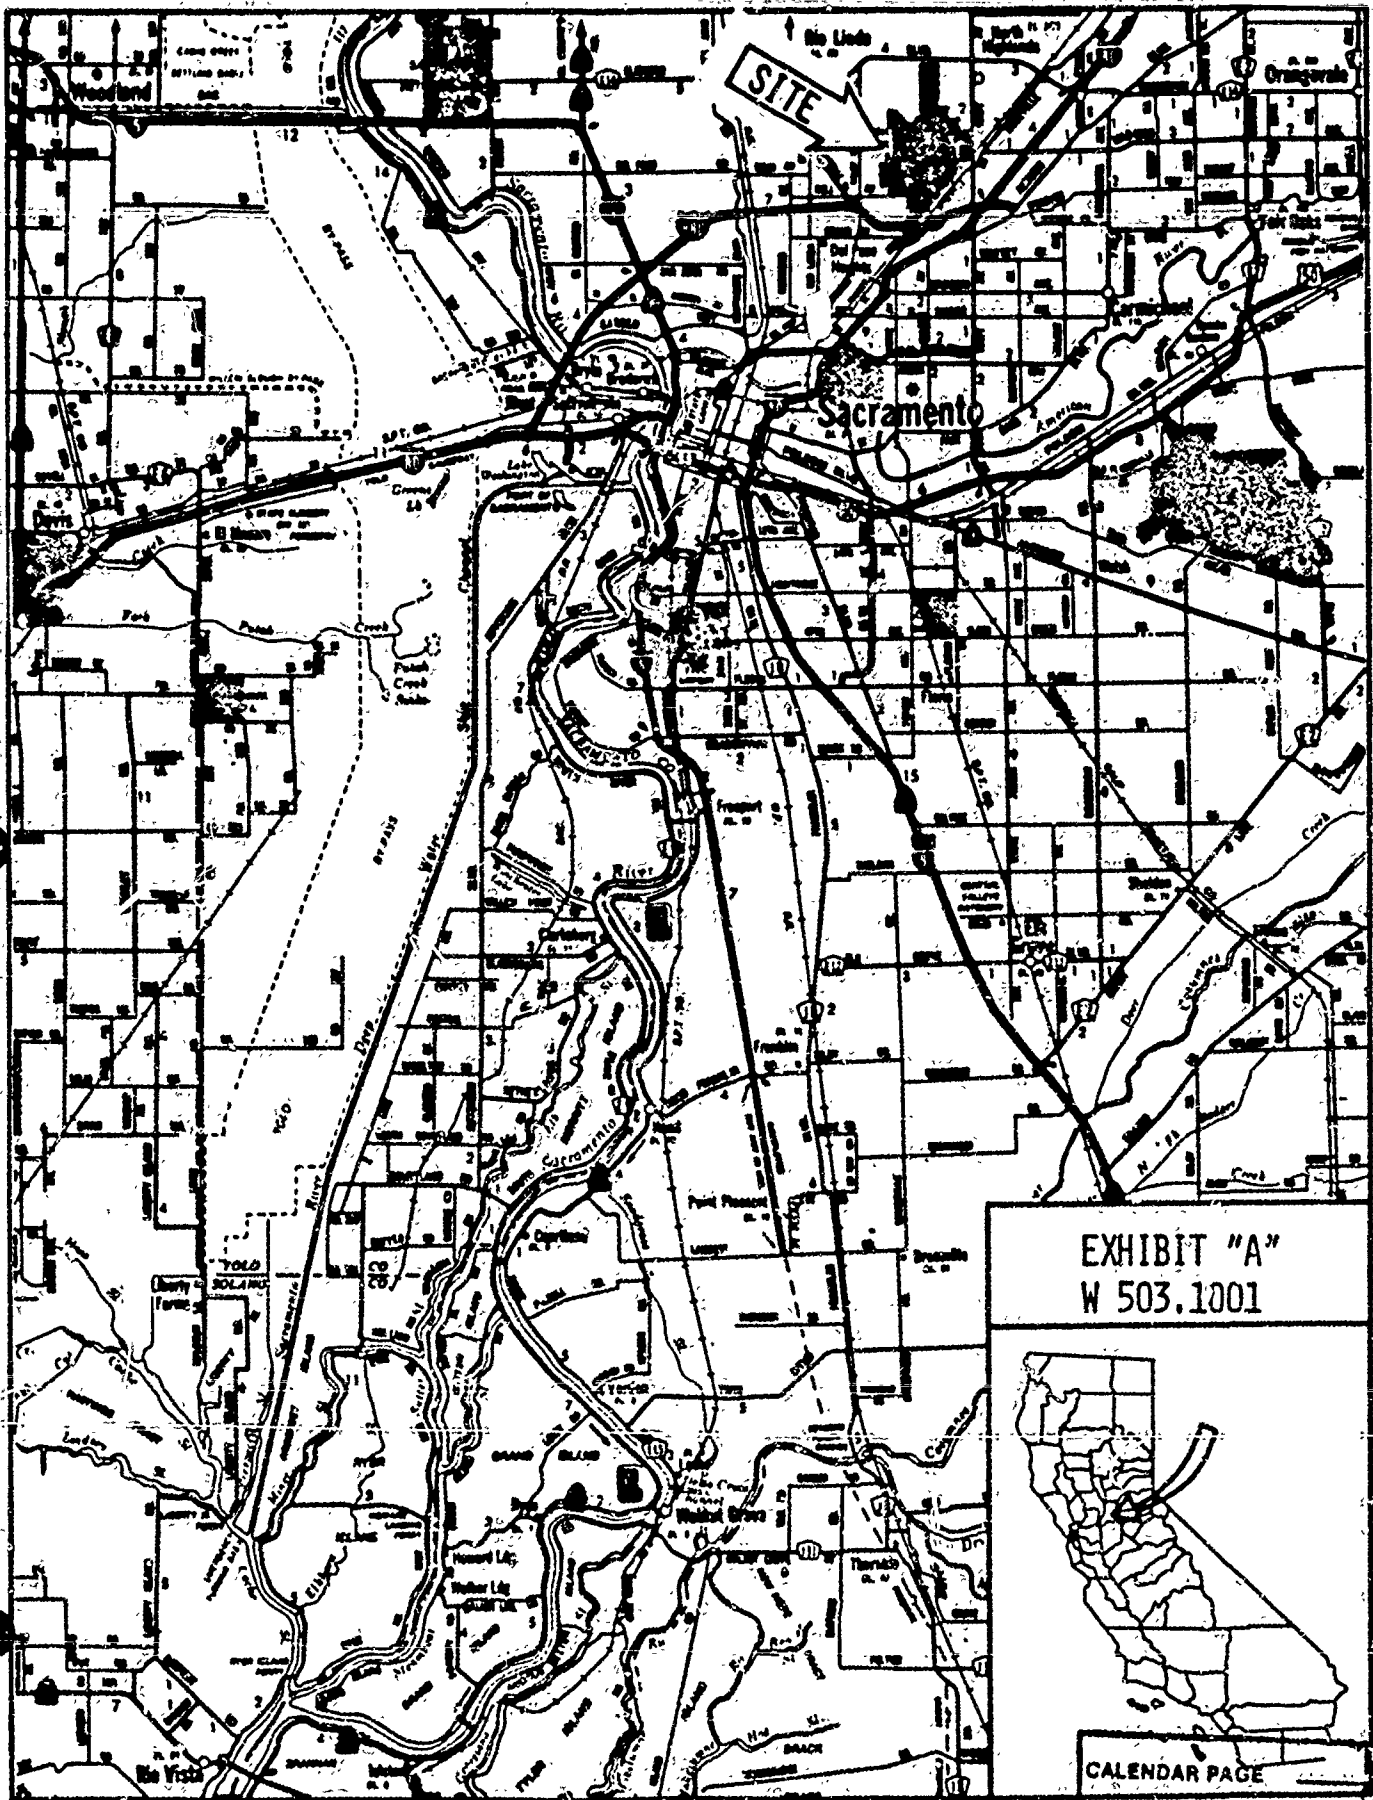

Inasmuch as this suit involves land over which the Commission has no ownership claims, it is recommended that a disclaimer be filed on behalf of the State Lands Commission disclaiming any compensable right, title or interest in the tract of the subject condemnation.
