AUTHORIZATION TO FILE DISCLAIMER

The State Lands Commission is a party to a United States condemnation action brought by the United States Attorney entitled United States of America v. 16.57 acres of land, more or less, etc., et al., Ventura County, filed in the United States District court, Central District of California, Civil No. CV 79-2588-DWW (GX) involving land in Ventura County to be used in connection with the Casitas Reservoir open space of the Ventura River project, California, of the Bureau of Reclamation, United States Department of the Interior.

Upon examination of the Commission's records pertinent to the area, it has been ascertained that there is no interest held by the State Lands Commission as to the tract of land described in the notice of condemnation.

Inasmuch as this suit involves land over which the Commission has no ownership claims, it is recommended that a disclaimer be filed on behalf of the State Lands Commission disclaiming any interest in the tract of the subject condemnation.
