B. Staff Review: Agreement with the City's reference.

OTHER PERTINENT INFORMATION:

Letter of intent dated August 27, 1979 supplemented November 9, 1979 describing the expenditure of tideland oil revenue for the Downtown Shoreline Marina. A copy of an application for a small craft harbor development loan for the Downtown Shoreline Marina. A copy of an agreement dated August 6, 1979, to provide engineering services for the design of the Shoreline Harbor Marina and the Downtown Shoreline Marina. Environmental impact report E-6-78 prepared by the City of Long Beach for the Downtown Shoreline Development. These are on file in the office of the State Lands Commission.

This item comes before the Commission for determination as to whether the capital improvement project, as described in the letters of intent to expend tideland oil revenues, is authorized by any of Subdivisions (a) through (f) of Section 6, Chapter 138/64, 1st E.S. There are three actions the Commission may take: (1) no action, (2) determination that the project is authorized by any of Subdivisions (a) through (f), or (3) determination that the project is not authorized by any of Subdivisions (a) through (f). The staff recommends that action (3) not be taken by the Commission, because the construction of a small boat harbor and the rendition of services reasonably necessary for that purpose are authorized by Sections 6(d) and 6(f). Either action (1) or (2) will allow the City of Long Beach to disburse money from its share of remaining oil revenue on the project.

On February 24, 1977, the Commission determined that the construction of the Shoreline Harbor Marina (formerly identified as the Shoreline Aquatic Park Marina), a small boat harbor, was authorized by Chapter 138/64, 1st E.S. That determination will be superseded by this action which combines a revised version of the Shoreline Harbor Marina with the Downtown Shoreline Marina to be designed and developed jointly.

CALENDAR ITEM NO. 30. (CONTD)

The City advises that an application has been filed with the Department of Boating and Waterways for an \$8,000,000 loan to finance a portion of the cost to construct the Downtown Shoreline Marina. If this loan is granted, a corresponding reduction will be made in the amount of revenue bonds to be issued to defray the construction cost.

The City also advises that the \$812,000 expenditure for design engineering will be reimbursed to the Tideland Oil Revenue Fund from the revenue bond sales.

COMPLIANCE WITH CEQA 1970, AS AMENDED

This is a capital improvement project as defined in Ch. 138/64, 1st E.S., Sect. 6(d). The City of Long Beach has prepared an environmental impact report, EIR No. E-6-78, Downtown Shoreline Development. The Shoreline Harbor Marina and the Downtown Shoreline Marina are included in the shoreline development plan.

EXHIBITS:

- A. Cost Estimate.
- B. Vicinity Map
- C. Proposal Sketches.

IT IS RECOMMENDED THAT THE COMMISSION:

1. DETERMINE THAT THE EXPENDITURE PROPOSED BY THE CITY OF LONG BEACH OF \$1,122,600 FROM ITS SHARE OF TIDELAND OIL REVENUES FOR A FEASIBILITY STUDY AND DESIGN ENGINEERING CONNECTED WITH THE CONSTRUCTION OF THE DOWNTOWN SHORELINE MARINAS, SMALL BOAT HARBORS, IS IN ACCORD WITH SECTIONS 6(d) AND 6(f) OF CH. 138/64, 1ST E.S.; SAID DETERMINATION TO BE SUBJECT TO THE CONDITION THAT THE WORK CONFORM IN ESSENTIAL DETAILS TO THE PLANS AND BACKGROUND MATERIAL SUBMITTED WITH CITY NOTIFICATION OF AUGUST 27, 1979 SUPPLEMENTED NOVEMBER 9, 1979, AND THE CONDITION THAT THE CITY SHALL FILE WITH THE COMMISSION A STATEMENT OF EXPENDITURES WITHIN 180 DAYS AFTER THE COMPLETION OF THE PROJECT.
2. RESCIND THE COMMISSION DETERMINATION OF FEBRUARY 24, 1977, MINUTE ITEM 30.
