EXTENSION OF DREDGING PERMIT
(MAINTENANCE)

APPLICANT: City of Morro Bay
Public Works Department
695 Harbor Street
Morro Bay, California 93442

AREA, TYPE LAND AND LOCATION:
State-owned granted (minerals reserved)
tide and submerged lands in Morro Bay Harbor,
Morro Bay, San Luis Obispo County.

RESUME OF PREVIOUS ACTION:

The Commission on March 30, 1978, authorized issuance of Dredging Permit PRC 5463.9 to the City of Morro Bay effective through December 31, 1978, for maintenance dredging of 70,000 cubic yards of material from designated mooring areas in Morro Bay Harbor. The work was to be included with a Corps of Engineers project which the Corps was unable to perform in 1978. The applicant then requested extension of the permit through 1979, which request was approved by the Commission on August 31, 1978. The Corps has now awarded a contract for the work, to be performed during 1980. The project was determined to be categorically exempt from the requirements of CEQA pursuant to Section 15104 of the CEQA Guidelines.

PROPOSED MODIFICATION:

1. Extend the effective date of Dredging Permit PRC 5463.9 from January 1, 1980 through December 31, 1980.
2. All other conditions of Dredging Permit PRC 5463.9 are to remain in full effect.

CONSIDERATION: Public use and benefit.
