STATE QUITCLAIM TO THE  
TRUST FOR PUBLIC LAND

By Minute Item No. 21 of its regular meeting of November 20, 1979, the Commission authorized a Compromise Title Settlement Agreement with Scenic Land Properties, Inc., concerning real property along Petaluma Creek, Sonoma County. Said agreement included a required conveyance to the State of an undivided 14.25% interest in the Trust for Public Land parcel in Contra Costa County pursuant to the Land Bank Agreement approved by the Commission by Minute Item No. 25 of its regular meeting on September 26, 1979.

Escrow has not been closed in this transaction due to failure of Scenic Land Prop., Inc., to perform so far the requirements of the Compromise Title Settlement Agreement required of them.

Recordation of the Agreement is awaiting performance of the escrow requirements, and the Agreement is not yet binding on the State as it is not effective until recordation.

The escrow company mistakenly recorded the said Deed of the 14.25% interest to the State prior to the close of escrow. The State is not entitled to this conveyance until the Agreement is ready to record. To clear the record, it is necessary that the Deed be rescinded by a Quitclaim Deed, from the State back to the Trust for Public Land of such interest.

Should Scenic Land Properties, Inc. comply with the conditions of the Agreement, the said interest will only then be deeded to the State. Should Scenic Land Properties, Inc. fail to meet its obligations, the Commission will be asked to rescind its approval of the Compromise Title Settlement Agreement.
