The State Lands Commission is a party to a United States condemnation action brought by the United States Attorney entitled, United States of America v. 15.58 acres of land, more or less, etc., et al., filed in the United States District Court, Eastern District of California, Civil No. F-77-230 involving land in Mariposa County to be used in connection with the administration, preservation and development of Yosemite National Park for the use, benefit and enjoyment of the public.

Upon examination of the records of the Commission, historical research involving the area in question, discussion with the staffs of the United States Department of Forestry and the California Department of Water Resources, and on-site investigations it has been determined that the State Lands Commission has no compensable interest in the tract of land described in the Notice of Condemnation.
