AMENDMENT OF LEASE PRC 5752.1

LEASE: Mineral Extraction Lease PRC 5752.1.

LESSEE: Morris Tug and Barge, Inc.
100 East "D" Street
Petaluma, California 94952

LOCATION: South San Francisco Bay, San Mateo and
Alameda Counties.

PERTINENT INFORMATION:

Lease PRC 5752.1 was awarded on December 1, 1979, to Morris Tug and Barge after competitive bid. When Morris applied to the United States Army Corps of Engineers for a Dredging Permit, Ideal Cement and Leslie Properties, Inc. protested issuance of a permit claiming ownership of portions of the lease area. Ideal and Leslie then communicated with State Lands Commission concerning ownership of portions of the lease area.

Rather than become a party to negotiations or litigation involving mineral rights, Morris Tug and Barge agreed to conduct mineral extraction operations on the lease area outside the claims of the two companies. From the original 1,313 acre, the area outside the Ideal and Leslie claims is now approximately 335 acres - A reduction of 75%. Allowing a corresponding reduction in the annual minimum royalty, the minimum royalty shall be reduced to \$1500 annually from \$6000 annually for the first two years and to \$3000 annually from \$12,000 annually for each year thereafter. All other terms and conditions of the lease shall remain in full force.

Amendment of this lease does not constitute any waiver of State ownership claims or an admission by the State of the ownership claims of Ideal or Leslie.

CALENDAR ITEM NO. C18. (CONTD)

Because of delays experienced by Morris Tug and Barge caused by the protest to the issuance of the Dredging Permit, it is recommended that rentals and minimum royalties be waived for the period December 1, 1979 through October 31, 1980, and the lease and new lease terms become effective November 1, 1980.
