OTHER PERTINENT INFORMATION:

1. Lease PRC 2714.1 was originally issued to  
the Del Monte Properties Company, for a  
period of 15 years, effective April 12,  
1961, with two renewal options of ten years  
each. The pier facility was for the sole  
use of members and guests of the Stillwater  
Yacht Club whose membership was restricted  
to property owners in the adjoining Del  
Monte Properties. The Del Monte Properties  
Company later merged into the Pebble Beach  
Corporation and by Commission action of  
July 26, 1977 the lease was assigned,  
amended and renewed for a period of ten  
years, beginning April 12, 1976.

CALENDAR ITEM NOC 05 (CONT'D)

As a result of subsequent mergers, the Lease was assigned by Commission action of September 26, 1979, and June 29, 1982. Staff has been informed that additional changes in ownership have since occurred and that title is currently vested in Twentieth Century-Fox Film Corporation and MKDG II, a General Partnership. The Lessee's name under this replacement lease will remain the Pebble Beach Company, a General Partnership.

In addition to the change in ownership, the pier was damaged by winter storms which placed the prior Lessee in default under the terms of the Lease. Based on their decision to remove the pier, Commission took action on March 22, 1984 to approve removal of the pier and terminate the Lease effective June 30, 1984. The new owners have now reversed the decision to remove the pier and have found a method to feasibly restore the structure.

Subject to approval by the Commission, restoration of the pier will begin no later than November 1, 1984, and shall be completed no later than June 1, 1985. Upon completion, use of the pier will not be restricted to members and guests of the club, and will be available to the public. The new lease provides that the public shall be allowed access to the pier and shall be permitted to use the pier; however, such access and use shall be subject to such reasonable rules and regulations of the Pebble Beach Company as have been approved, in writing, by the State Lands Commission. The lease further provides that a sign shall be posted at the entrance to the pier which states the rules and regulations of the Pebble Beach Company applicable to use of the pier.

CALENDAR ITEM NO 05 (CONT'D)

Inasmuch as the lease term was nearing a point of renewal when it was terminated, and due to the changes in ownership and plans to restore the pier and include the public among its users, staff recommends that the original lease be replaced to reflect these changes, as well as provide for a new rental, surety bond and certificate of insurance. Staff also recommends that portion of the rental paid under the prior lease which is attributable to the first five months of the replacement lease term be credited against the first years rental under the replacement lease.

2. This activity involves lands identified as possessing significant environmental values pursuant to P.R.C. 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
3. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Adm. Code 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorical exempt project. The project is exempt under Class 2, Replacement or Reconstruction, 2 Cal. Adm. Code 2905(b).
