ACCEPTANCE OF RETROCESSION OF PARTIAL JURISDICTION  
AND ESTABLISHMENT OF PROPRIETARY JURISDICTION OVER  
A PORTION OF MATHER AIR FORCE BASE  
SACRAMENTO COUNTY, CALIFORNIA

Gov. Code Section 113 provides as follows:

"The Legislature of California hereby consents to the retrocession of jurisdiction by the United States of land within this State upon and subject to each and all of the following express conditions:

- (a) The United States must in writing have requested State Acceptance of retrocession, and unless there is an Officer of the United States empowered by a United States statute to cede jurisdiction, said request shall be by the act of Congress; such retrocession may return all jurisdiction to the State or may provide for concurrent jurisdiction.
- (b) When the conditions of subsection (a) of this section have been found and declared to have occurred and to exist, by the State Lands Commission, the Commission shall hold a hearing to determine whether acceptance of such retrocession is in the best interest of the State. Notice of such hearing shall be published pursuant to Sec. 6061 in each county in which the land or any part thereof is situated and a copy of such notice shall be personally served upon the Clerk of the Board of Supervisors of each county. The State Lands Commission shall make rules and regulations governing the conditions and procedure of such hearings.

- (c) The determination of the State Lands Commission shall be final and jurisdiction acceptance shall become effective when certified copies of its orders or resolutions have been filed in the Office of the Secretary of State and recorded in the Office of the County Recorder of each county in which any part of the land situated."

The United States holds partial legislative jurisdiction over approximately 6.69 acres of land at Mather Air Force Base. The land is used as a railway spur for the base. The spur lies outside of the base proper. The United States, pursuant to California Government Code Section 113, by letter dated April 20, 1984 has written to Governor Deukmejian requesting the State of California to accept a retrocession of all jurisdiction over this land. The purpose of the retrocession is to facilitate the administration of local police power over the area.

A Public hearing was scheduled in the Sacramento offices of the Commission on April 12, 1985, for the purpose of determining whether it was in the best interest of the state to adjust the jurisdiction of the United States. Notice thereof was published in the Sacramento Bee and notice of said hearing was personally served on the Clerk of the Board of Supervisors of Sacramento County. Affidavits of publication and service are filed in the records of the Commission.

The hearing was held as noticed. No comments regarding the adjustment were received at the hearing.

The retrocession would be in the best interest of the State in connection with the administration of local police power over the area.
