effective when certified copies of its orders or resolutions have been filed in the Office of the Secretary of State and recorded in the Office of the County Recorder of each county in which any part of the land is situated."

The United States now holds exclusive legislative jurisdiction over approximately 95.65 acres of land at Fort MacArthur Military Reservation. The United States, pursuant to California Government Code Section 113, by letter dated October 10, 1984, has written to Governor Deukmejian requesting the State of California to accept a retrocession of all jurisdiction over this land. The purpose of the retrocession is to facilitate the administration of local police power over the area.

A Public hearing was scheduled in the offices of the State Lands Commission, Long Beach on June 20, 1985, for the purpose of determining whether it was in the best interest of the state to adjust the jurisdiction of the United States. Notice thereof was published in the Los Angeles Times and the Long Beach Press-Telegram and notice of said hearing was personally served on the Clerk of the Board of Supervisors of Los Angeles County. Affidavits of publication and service are filed in the records of the Commission.

The hearing was held as noticed. No comments regarding the adjustment were received at the hearing.

The retrocession would be in the best interest of the State in connection with the administration of local police power over the area.
