OTHER PERTINENT INFORMATION:
1. At its meeting on May 23, 1968, the State Lands Commission, in Minute Item 15, approved the issuance of Noncommercial Lease No. 3955, P.R.C. Series to R. T. Nahas Company for construction of the

subject pier. Upland properties were developed with condominium projects by lessee. The lessee later conveyed the littoral upland to an entity other than applicant without first receiving the Commission's approval of the assignment of said lease to a new littoral owner. The format of the subject lease is not consistent with the Commission's current rules and regulations. Termination of the original lease and acceptance of the quitclaim deed is recommended.

2. Applicant is a homeowners association. The subject facilities are utilized by condominium owners, their tenants and guests. Because its membership currently includes 12.79 percent of non-natural person members, applicant does not fully meet the criteria of P.R.C. 6503.5 for rent-free status. The rental required by the permit has not been prorated according to this percentage because applicant has requested that the term exceed ten years. The Commission's standard rental is, therefore, applicable.
3. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Adm. Code 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorical exempt project. The project is exempt under Class 1, Existing Facilities, 2 Cal. Adm. Code 2905(a)(2).

Authority: P.R.C. 21084, 14 Cal. Adm. Code 15300, and 2 Cal. Adm. Code 2905.

4. This activity involves lands identified as possessing significant environmental values pursuant to P.R.C. 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project is consistent with its use classification.
