APPROVAL OF LETTER AMENDMENTS TO EXISTING GAS PURCHASE AND SALES AGREEMENTS

LESSEE AND OPERATOR:

Cheuron U.S.A. Inc. Attention: Hilman P. Walker P.G. Box 5050 San Ramon, California 94583-0905

BACKGROUND ON LEASES:

Chevron U.S.A. Inc. (Chevron) is lessee and operator of State Oil and Gas Leases E-415, PRC 714, PRC 729, PRC 3743, PRC 3896 and PRC 6498 and Compensatory Royalty Agreement PRC 2966 which are located in Contra Costa, Sacramento, San Joaquin and Solano Counties. Leases PRC 3743 and PRC 3896 are jointly held by Chevron and Shell California Production Inc. Shell's 50 percent share of the gas produced from the two leases is used by Shell at its Bay Area refinery with the State's royalty based upon the price Chevron receives from the sale of the remaining gas to Pacific Gas and Electric Company (PG&E). The leases require that the State approve all sales contracts including any amendments which affect the disposition of the State's royalty share of production from the leased lands.

(PAGES 126-126.14) (ADDED 03/18/87)

CALENDAR ITEM NO. 40 (CONT'D)

EXISTING GAS PURCHASE AND 'SALES AGREEMENTS:

On January 22, 1987, the Commission approved a Letter Amendment dated October 13, 1986, which amends certain gas purchase and sales agreements between Chevron and PG&E to permit Chevron to sell the State's royalty share of the gas produced under the leases at PG&E's California Gas Market Retention Program (MRP) price for the months of November and December 1986, inclusive, effective November 1, 1986. This approval extended the State's participation in PG&E's MRP to December 31, 1986.

AMENDMENTS TO EXISTING GAS PURCHASE AND SALES AGREEMENTS: In a letter dated December 12, 1986, Pi&E offered the California natural gas producer three pricing Program Alternatives which PG&E believes represent the "Fair Market Value" (FMV) price for gas sold at the wellhead in Northern California. Each program has a different price and term. The effective date of each pricing program is January 1, 1987 and the term is that period of time which must elapse Before Chevron or PG&E may again redetermine the FAU purchase price pursuant to existing gas purchase and sales agreements. The three FMV pricing Program Alternatives are: (1) \$1.70 per MMBtu for 1987 contract year; (2) \$1.75 per MM3tu for 1987 and 1988 contract years; and (3) \$1.80 per MMBtu for 1987, 1988 and 1989 contract years.

-2-

Chevron has submitted executed Letter Amendments modifying existing gas purchase and sales agreements to sell its gas commencing January 1, 1987 at the F/AV price of \$1.70 per MMBtu for 1987 contract year (Program Alternative No. 1). Since Chevron cannot sell the State's royalty share of the gas produced from the Chevron State leases without first obtaining Commission approval, Chevron has requested that the Commission also elect to participate in PG&E's pricing Program Alternative No. 1 and permit Chevron to sell the State's gas at the FMV price of \$1.70 per-MMBtu commencing January 1, 1987.

MINUTE PAGE

(ADDED 03/18/87)

CALENDAR ITEM NO. 40 (CONT'D)

Staff agrees with Chevron's analysis that Program Alternative No. 1, \$1.70/MMBTU for one year, 1987, is the best price for the limited period and would not preclude taking advantage of gas price increases should they occur in 1988 and 1987. The alternative to acceptance of the prices offered by PG&E is lengthy arbitration with the possibility of shut-in production during arbitration which would result in a loss of revenue and possible reservoir damage.

OTHER PERTINENT INFORMATION:

 Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Adm. Code 15061) the staff has determined that this activity is exempt from the requirements of the CEQA because the activity is not a "project" as defined by CEQA and the State CEQA Guidelines.

Authority: P.R.C. 21065 and 14 Cal. Adm. Code 15378.

AB 884: N/A.

EXHIBITS: "A-1" - "A-4".

. Letter Amendments (4) dated January 1, 1987 between Chevron and PG&E Redetermining "Fair-Market Value" Price.

- IT IS RECOMMENDED THAT THE COMMISSION:
- 1. FIND THAT THE ACTIVITY IS EXEMPT FROM THE REQUIREMENTS OF THE CEQA PURSUANT TO 14 CAL. ADM. CODE 15061 BECAUSE THE ACTIVITY IS NOT A PROJECT AS DEFINED BY P.R.C. 21065 AND 14 CAL. ADM. CODE 15378.
- 2. APPROVE THE LETTER AMENDMENTS DATED JANUARY 1, 1987 SIGNED BY CHEVRON U.S.A. INC. AMENDING CERTAIN GAS PURCHASE AND SALES AGREEMENTS BETWEEN CHEVRON U.S.A. INC. AND PACIFIC GAS AND ELECTRIC COMPANY, AND PERMIT CHEVRON TO SELL THE STATE'S ROYALTY SHARE OF THE GAS PRODUCED FROM STATE OIL AND GAS LEASES E-415, PRC 714, PRC 729, PRC 3743, PRC 3896 AND PRC 6498 AND COMPENSATORY ROYALTY AGREEMENT PRC 2966 AT PG&E'S PROGRAM ALTERNATIVE NO. 1 "FAIR MARKET VALUE" PRICE OF \$1.70 PER MMBTU FOR THE 1987 CONTRACT YEAR, EFFECTIVE JANUARY 1, 1987.

January 1, 1987

Chevron U.S.A. Inc. RCOM E1094 P.O. Box-5043 San Ramon, CA 94583-0943

Gentlemen:

۰.

Please refer to the Gas Purchase and Sales Agreement(s), 32 amended, (Agrgement) between Chevron U.S.A. Inc. (Seller) and Pacific Gas and Electric Company (Buyer), as described on the attached Exhibit A, covering gas production from gas field(s) in California, and specifically to the PRICE paragraph therein.

By letter dated December 5, 1986, PGandE requested that the prica to be paid for gas purchased pursuant to the Agreement be revised. As a result of our recent negotiations, the parties have agreed to a revised price to be paid under said Agreement effective as of January 1, 1987.

Accordingly, effective January 1, 1987, the parties to said Agreement hereby agree to the following:

1. Paragraph 7, subparagraph (a) will be deleted in its entirety and the following like numbered Paragraph 7, subparagraph (a) shall be substituted therefor:

"(a) Unless and until modified in accordance with the provisions of subparagraph (b) of this Paragraph 7, Buyer shall pay to Seller for all gas taken, or agreed to be paid for whether or not taken, the lesser of either (1) One Dollar and Seventy Cents (\$1.70) per applicable ceiling price or prices MMBtu. (2) the permitted under the Natural Gas Policy Act of 1978 (NGPA) on: superseding federal legislation regarding the price for natural gas, or regulation promulgated by the Federal Energy Regulatory Commission (FERC) or any other agency having competent jurisdiction, or (3) the applicable ceiling price or prices permitted under any legislation or regulation enacted by the State of California or any agency thereof of competent jurisdiction.
