CALENDAR ITEM NO. 34 (CONT'D)

**BASIS FOR CONSIDERATION:**

Pursuant to 2 Cal. Code Regs. 2003.

**APPLICANT STATUS:**

Applicant is owner of upland adjoining the leased property.

**PREREQUISITE CONDITIONS, FEES AND EXPENSES:**

Processing costs have been received.

**STATUTORY AND OTHER REFERENCES:**

A. P.R.C.: Div. 6, Parts 1 and 2; Div. 13.

B. Cal. Code Regs.: Title 2, Div. 3;  
Title 14, Div. 6.

AB 884:

**OTHER PERTINENT INFORMATION:**

1. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Code Regs. 15061), the staff has determined that this activity is exempt from the requirements of the CEQA because the activity is not a "project" as defined by CEQA and the State CEQA Guidelines.

Authority: P.R.C. 21065 and 14 Cal. Code Regs. 15378.

2. The pending assignee acquired the uplands adjoining the leased property from Mr. and Mrs. Schultz by deed recorded January 15, 1988 in Yolo County. The Applicant and Lessee Schultz entered an assignment agreement in March 1988. The Schultz lease provides that such an assignment is not valid unless and until approved by the State Lands Commission. This calendar item is to secure that approval. The staff proposes January 15, 1988 as the effective date of the assignment should the conditions for the effectiveness of the assignment be met.

3. The pending Assignee has agreed to cure existing rental arrearages, and will pay all back rent, penalty and interest as provided in the lease prior to the effectiveness of the assignment.

4. The staff of the State Lands Commission and the Applicant have negotiated a proposed agreement to implement the assignment of the Schultz lease. The Agreement and its attachment include commitments by the Applicant to operate the leased facilities actively by June 1, 1989, for all the purposes described in the lease document. The Agreement also requires the Applicant to operate the lease until its natural termination date, December 31, 1992. The Agreement is on file in the offices of the Commission and is incorporated by reference as a part of this calendar item.
5. The attachment to the Agreement assigning the Schultz lease is a letter from the Applicant to the Executive Officer. There had been concern that the Applicant intends to use the assigned lease as part of a larger project along the Sacramento River shoreline. The letter disavows such a plan and commits to an EIR with a cumulative impact study should the Applicant ever seek to expand the lease premises.
