APPROVE PROPOSED SALE OF APPROXIMATELY
1,275 B/D OF ROYALTY OR IN-KIND CRUDE OIL,
STATE OIL AND GAS LEASES, LOS ANGELES
AND SANTA BARBARA COUNTIES

BACKGROUND:

At present, the State is taking in kind and selling its royalty or in-kind share of crude oil (approximately 1,275 B/D), from one State oil and gas lease in Los Angeles County and one State oil and gas lease in Santa Barbara County. These royalty or in-kind oil sales contracts are scheduled to expire on August 1, 1991 and December 1, 1991. Because of the long lead time needed to re-offer for competitive bidding the crude oil presently being purchased, it is necessary to begin the process now. The crude oil will be sold under two separate contracts.

STAFF RECOMMENDATIONS:

Section 6815.1 of the P.R.C. governs the sell-off of royalty or in-kind oil and provides that, when oil is taken in kind by the Commission, it shall be sold only to the highest responsible bidder upon competitive public bidding and the bidding shall be pursuant to specifications and forms adopted by the Commission prior to publication of the notice to bidders. The staff recommends the Commission authorize the sale of royalty or in-kind crude oil from the leases listed on Exhibit "A" and adopt the specifications for the sell-offs which are listed on Exhibit "B" to this calendar item. Staff also recommends the Commission adopt the forms prepared by staff for use in the sell-offs, which are the notice inviting bids, bid proposal, and the crude oil sales contracts, copies of which are on file in the Commission's Long Beach office.

CALENDAR ITEM NO. C 3 2 (CONT'D)

After the bids are solicited and the highest responsible bidders are determined, the staff will return to the Commission with a recommendation(s) regarding the award of the sales contracts.

The oil will be delivered without any physical change in the existing oil production or transportation facilities.

AB 884: N/A.

Except in the case of the successful bidder, the bid deposit will be returned to each bidder.

5. Surety

An alternate form of security may be accepted as a substitute for the letter of credit, subject to conditions prescribed by State Lands Commission staff and the Office of the Attorney General.

8. Selection of Successful Bidders

The successful bidder for each contract shall be the responsible bidder making the highest per barrel bonus bid. In the event that two or more responsible bidders make identical high bids, the successful bidder will be determined by lot among all those responsible bidders making such identical high bids.

9. Rejection of Bids

All or any portion of the royalty or in-kind oil proposed to be sold may be withdrawn by the Commission at any time before the opening of the bids. The Commission also reserves the right to cancel this offer at any time and the right to reject any or all of the bids.
