OTHER PERTINENT INFORMATION:

1. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Code Regs. 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities, 14 Cal. Code Regs. 15301.

Authority: P.R.C. 21084, 14 Cal. Code Regs. 15300.

The State Lands Commission received fee title to the parcel of land occupied by the rock stockpile pursuant to a boundary settlement with the upland owners (AD 33). The Bureau of Reclamation (Bureau) maintains rock stockpiles along the Colorado River for the maintenance and repair of the existing levee system. The Bureau has requested a permit for the continued use of this site for their stockpile. The proposed permit will be for a period of ten years only and the Bureau has been notified that they will have to phase out this site within the ten-year period.

The Bureau has requested, and staff recommends, that the \$450 non-refundable expense deposit be waived in consideration of the public benefit received from this project.
