AUTHORIZE THE ASSIGNMENT AND AMENDMENT OF
A PERMIT FOR IMPROVEMENTS
COVERING A PORTION OF SANTA MONICA STATE BEACH
WITHIN THE CITY OF SANTA MONICA

LESSEE:

Francois De Menil
514 Palisades Beach Road
Santa Monica, California

BACKGROUND:

In 1981 the Commission authorized the execution of twenty-four (24) "Boundary Line Agreements and Permits For Improvements" covering private residential lots fronting Santa Monica State Beach. These agreements were in settlement of litigation over the boundary between the private lands and the sovereign lands of the State. Some minor changes have been made to one of the areas covered by an existing "Permit for Improvements" and the ownership of the private lands has also changed. The "Permit for Improvements" contains provisions which provide that the benefits of the permit "inures to the benefit of the heirs, successors in interest and assigns of the parties ...".

CURRENT SITUATION:

The new owner of the property, Hope Warshaw, has requested an assignment of the "Permit for Improvements" and an amendment to reflect the minor increase in the use area made prior to her purchase of the property. Staff recommends the amendment to increase the area covered by the assigned permit because the increased area is no larger than the area of other permitted

improvements in the settlement area. The improvements covered by these permits are primarily landscaping improvements such as fences, vegetation and other non-permanent structures. The current beach area is sufficient to accommodate the public's existing needs and the private improvements located on the permit area can be easily removed.

OTHER PERTINENT INFORMATION:

1. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Code Regs. 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. Code Regs. 15301(h) and 15304(b).

Authority: P.R.C. 21084 and 14 Cal. Code Regs. 15300.

2. This activity involves lands identified as possessing significant environmental values pursuant to P.R.C. 6370, et seq., but will not effect those significant lands.

EXHIBITS:

- A. Land Description
- B. Sketch of Permit Area
- C. Site Map

IT IS RECOMMENDED THAT THE COMMISSION:

1. FIND THAT THE ACTIVITY WILL HAVE NO SIGNIFICANT EFFECT ON ENVIRONMENTAL VALUES IDENTIFIED PURSUANT TO P.R.C. 6370, ET SEQ.
2. FIND THAT THE ACTIVITY IS EXEMPT FROM THE REQUIREMENTS OF THE CEQA PURSUANT TO 14 CAL. CODE REGS. 15061 AS A CATEGORICALLY EXEMPT PROJECT, CLASS 1, EXISTING FACILITY (PORTION OF PROJECT COVERED BY EXISTING PERMIT), TITLE 2, SECTION 2905(a)(2) AND CLASS 4, MINOR ALTERATION TO LAND (PORTION OF PROJECT NOT COVERED BY EXISTING PERMIT), 14 CAL.
