AUTHORIZE EXECUTION OF AMENDMENT TO
UNIVERSITY OF CALIFORNIA, BERKELEY
INTERAGENCY AGREEMENT FOR SERVICES FOR 1991-92 FISCAL YEAR

PARTY:

State Lands Commission
1807 - 13th Street
Sacramento, California 95814

BACKGROUND

The State Lands Commission originally entered into an agreement with University of California, Berkeley for Geographical Information System support to incorporate physical characteristics of San Francisco Bay into the Commission's system. This was necessary to perform environmental analysis of the Unocal Oleum Marine Terminal lease application. The scope of work has expanded and, therefore, an amendment increasing the scope and price was necessary.

The original agreement was entered for \$35,000. The increase in work requires an amendment of \$25,000 for a total agreement of \$60,000. The project applicant is responsible for all costs and a deposit for the amendment has been received.
