**CONSIDER BOUNDARIES AND INCLUSION OF STATE-OWNED LAND WITHIN THE  
CORPORATE BOUNDARIES OF THE CITY OF REDDING, SHASTA COUNTY**

**APPLICANT:**

City of Redding  
P. O. Box 496071  
Redding, CA 96049-6071

Government Code Section 56108 provides that, with respect to proposed annexations where tidelands and/or submerged lands are involved, the Commission's approval is required as to: (1) the sufficiency of the boundary description which describes such tidelands or submerged lands, and (2) the inclusion of such tidelands or submerged lands within the area proposed for annexation.

The staff has received a request from the City of Redding to review and approve proposed boundaries and the annexation of a portion of the Sacramento River to the City (Annexation 94-2, Knighton Road/I-5 Interchange). The City has prepared and circulated a Negative Declaration for the proposed incorporation.

The staff has reviewed the materials submitted by the Applicant and does not believe that the Commission's administration of those property rights within its jurisdiction will be prejudiced in any way by the proposed annexation. The proposed boundaries have been reviewed pursuant to Government Code sections 56108(c) and 56108(d) and are believed by staff to be legally sufficient.
