BACKGROUND

At its July 6, 1972 meeting, the Commission approved three leases between the State and Anza Pacific Corporation for filled and partially filled tidelands along San Francisco Bay, in the City of Burlingame, San Mateo County. The leases commenced July 1, 1972, for a term of 66 years, and will expire June 30, 2038. Subsequently, at its meeting of March 24, 1983, the Commission approved an assignment and amendment of the leases to Hometels Development Corporation to construct an approximate 360-room, ten story hotel, together with a restaurant, lounge, typical hotel concessions and public park. The leases were later assigned to San Francisco International Airport Hometel (On-The-Bay) limited partnership, (Hometel).

At its meeting on March 26, 1987, the Commission approved Manufacturers Hanover Trust

Company (Hanover) as secured party lender to provide \$24,500,000 in financing for the construction and operation of the hotel. Chemical Bank became successor by merger to Hanover.

CURRENT INFORMATION:

Hometel has entered into an agreement to sell and convey the leasehold estate to FelCor/CSS Holdings, L.P., a Delaware limited partnership (FelCor/CSS). It is anticipated that on or before February 28, 1996, FelCor/CSS will be owned by FelCor Suite Hotels, Inc., a Maryland corporation which is treated as a real estate investment trust for tax purposes (the "REIT"), through its subsidiary, FelCor Suites Limited Partnership. This acquisition by the REIT is anticipated to be funded by a public stock offering.

The REIT, due to tax law restrictions, cannot operate a hotel business. Therefore, FelCor/CSS proposes to sublease all of its rights under the leases to an affiliate, DJONT Operations, L.L.C., a Delaware limited liability company ("DJONT"). DJONT intends to enter into new management and franchise agreements with Promus Hotels, Inc. or its subsidiary. Additionally, the name under which the hotel operates will be changed from "Crown Sterling Suites" to "Embassy Suites".

As a part of the acquisition, the existing loan with Chemical Bank, which now stands at approximately \$20 million, will be extinguished. FelCor/CSS has secured loan financing from Smith Barney Mortgage Capital Group, Inc. to fund the acquisition up to \$20 million.

Pursuant to Paragraph 20 of the leases, the Lessee may not assign, transfer or sublease any part of the leases without written approval of the State. Paragraph 21 requires State approval for any encumbrancing of the leasehold estate and for any substantial change of ownership interests in the lessee.
