BACKGROUND:

The twenty-seven (27) State oil and gas leases and one (1) drill site agreement that Shell Onshore Ventures Inc. (Shell Onshore) is requesting to assign to CalResources LLC are all located within the Huntington Beach Offshore Field, Orange County. The leases were issued between the dates of September 26, 1938 and August 17, 1973, and have been assigned a number of times since their issuance.

Shell Onshore has requested Commission approval of the assignment of these leases to CalResources LLC, an affiliate of Shell Oil Company. CalResources LLC was formed in order to provide the autonomy and flexibility necessary to be competitive in the California business environment.

CalResources LLC has succeeded to substantially all of Shell's California exploration and production and associated properties. CalResources LLC is California's largest oil producer, accounting for approximately 17 percent of the State's production. The company will continue to be headquartered in Bakersfield, operating as an independent business through its own Board of Directors. CalResources LLC will remain an affiliate of Shell Oil Company.

PREREQUISITE CONDITIONS, FEES AND EXPENSES:

Filing fee and processing costs have been received.
