California State Lands Commission (Grantee)

**AREA, LAND TYPE, AND LOCATION:**

Approximately 47 acres, more or less, near Vandenberg Village, Santa Barbara County.

**BACKGROUND:**

The County of Santa Barbara acquired a 20(±)-acre-parcel in 1962 for the County proposed Burton Mesa Natural Reserve. In 1997, the County acquired an additional 34(±) acres adjacent to the 20 acres acquired in 1962. The County is reserving seven acres for a proposed family park. The remaining 27 acres, as well as the 20-acre reserve is proposed to be conveyed to the California State Lands Commission and incorporated into the existing 5,000(±) acre Burton Mesa Management Area (BMMA) owned and managed by the California State Lands Commission.

Acquisition of this property is important to the preservation of wildlife habitat located on the BMMA because it will enhance the wildlife corridor of contiguous habitats of Burton Mesa chaparral, oak woodlands, coastal sage scrub, and grasslands that provide a vital connecting link between the Santa Ynez River plain in the Lompoc Valley and the steep Purisima hills.

Staff has concluded that the subject property is useful for the public trust purposes of ecological preservation, recreation, public access, and open space.
