**OTHER PERTINENT INFORMATION:**

1. On December 16, 1998, the Commission authorized a Recreational Pier Lease with Elmer Lee Fox and Dorothy Z. Fox. That Lease is scheduled to expire on September 26, 2008. In 2000, the Lessees deeded the upland property to Ray Dolby and Dagmar Dolby, Trustees. Since the Foxes are no longer the upland owners, pursuant to section B2 of the lease, the lease may be terminated.
2. Applicants qualify for a Recreational Pier Lease because they are natural persons who have improved the littoral land with, and use the upland for, a single family dwelling. Applicants are now applying for a new lease. Staff is recommending termination of the existing lease and issuance of a new lease.
3. **Termination of an Existing Lease:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines [Title 14, California Code of Regulations, section 15060(c)(3)], the staff has determined that this activity is not subject to the provisions of the CEQA because it is not a "project" as defined by the CEQA and the State CEQA Guidelines.

Authority: Public Resources Code section 21065 and Title 14, California Code of Regulations, sections 15060 (c)(3) and 15378.

4. **Issuance of a New Lease:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
