All other terms and conditions of the lease shall remain in effect without amendment.

**OTHER PERTINENT INFORMATION:**

1. On December 9, 2004, the Commission issued a 20-year General Lease – Commercial Use, to Alan and Peggy Martin, as co-tenants. The marina consists of approximately 40 covered and uncovered berths and side ties. When the Martins purchased the marina, they also purchased a 40 foot x 100 foot vessel known as the "Island Queen", located the vessel on the Lease Premises, and then sold it to a private party. However, the purchaser of the "Island Queen" defaulted on the terms of the sales agreement and failed to remove it from the Lease Premises. The vessel was not in good repair and was incapable of being navigated. The Martins subsequently litigated with the purchaser of the "Island Queen". The lease requires, among other things, submittal of a \$80,000 bond until the "Island Queen" is removed from the Lease Premises, after which the bond would be reduced to \$20,000. The "Island Queen" has been removed from the Lease Premises; therefore, the current bond required under the lease is \$20,000.
2. TA & JC Properties, LLC is currently in escrow to purchase the marina and has applied to the Commission for an Assignment, Amendment and approval of an Encumbrancing Agreement. TA & JC Properties, LLC is currently seeking financing for the acquisition of the marina and intends to

secure the loan with the Commission's lease. The Encumbrancing Agreement, in favor of the Diablo Valley Bank, is for an amount not to exceed \$1,000,000.

3. The lease will be amended to contain provisions that will implement the Commission's "Best Management Practices for Marina Owners/Operators" and encourage implementation of the Commission's "Best Management Practices for Berth Holders and Boaters", including additional Best Management Practices (BMPs) the Commission subsequently deems appropriate for either of the above categories. The Assignee will incorporate BMP's on "Berth Holders and Boaters" into Lessee's berth rental agreement. The Assignee shall provide the Commission, on the first anniversary of the assignment and on each successive third anniversary thereafter, a report on compliance with all BMPs.
4. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines [Title 14, California Code of Regulations, section 15060(c)(3)], the staff has determined that this activity is not subject to the provisions of the CEQA because it is not a "project" as defined by the CEQA and the State CEQA Guidelines.
5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq.
