GENERAL LEASE – RECREATIONAL USE

APPLICANT:

Donald G. Goodwin

AREA, LAND TYPE, AND LOCATION:

Sovereign lands in Huntington Harbour, Huntington Beach, Orange County.

AUTHORIZED USE:

Continued use and maintenance of an existing boat dock and access ramp; and the use and maintenance of an existing cantilevered deck extending no more than five feet waterward of the bulkhead.

LEASE TERM:

Ten years, beginning March 1, 2007.

CONSIDERATION:

SPECIFIC LEASE PROVISIONS:

Insurance:

Combined single limit liability insurance coverage in the amount of no less than \$1,000,000.

OTHER PERTINENT INFORMATION:

1. Applicant owns the uplands adjoining the lease premises.
2. On May 12, 1997, the Commission authorized the issuance of a Recreational Pier Lease, PRC 3164.9, to Donald Goodwin for a ten-year term, effective March 1, 1997. The lease expired on February 28, 2007.

CALENDAR ITEM NO. C35 (CONT'D)

Applicant is now applying for a new General Lease - Recreational Use for the existing boat dock and access ramp as well as for the existing cantilevered deck, not previously authorized by the Commission. A five-foot portion of the cantilevered deck extends over the State's fee ownership in the Main Channel of Huntington Harbour. Since the deck is existing, staff is recommending that a lease be issued to the Applicant.

3. As the cantilevered deck does not qualify for a rent-free lease, that portion of the deck extending over State fee ownership within the Harbour is subject to annual rent. The existing boat dock and access ramp will remain rent-free as the Applicant is a natural person who has improved the littoral land with, and uses the upland for, a single-family dwelling.
4. **Existing Boat Dock and Access Ramp:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

5. **Cantilevered Deck:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 3, New Construction of Small Structures; Title 2, California Code of Regulations, section 2905 (c)(1).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

6. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
