CALENDAR ITEM NO. C86 (CONT'D)

This State lease contains a provision requiring the consent of the Commission to any assignment, transfer or sublease of the lessee's interest. In addition, Public Resources Code section 6804 provides that unless approved by the Commission, no assignment, transfer or sublease of an oil and gas lease shall be of any effect.

Towne is the operator and owner of Oil and Gas Lease No. PRC 8694.1. Towne and its financial partner, Capitol Oil Corporation (Capitol Oil), entered into an area of mutual interest agreement (AMI) wherein Capitol Oil is a 40 percent (40%) participant. Capitol Oil is a privately owned exploration and production company organized under the laws of California in 1964. Pursuant to their agreement, Towne wishes to assign an undivided 40 percent (40%) interest in the lease to Capitol Oil. Towne will retain undivided 60 percent (60%) ownership in the lease and will continue to be the operator of the lease.

Towne, as assignor, has requested Commission approval of the transfer of an undivided 40 percent (40%) interest in the lease to Capitol Oil, as assignee, and tendered an executed State assignment form (Exhibit B, attached hereto). Staff has determined that no default exists on the lease and that Towne has complied with all applicable lease provisions and has paid all rentals pursuant to the lease terms and that Capitol Oil possesses the statutory qualifications to hold a State oil and gas lease.
