TERMINATION AND ISSUANCE OFA RECREATIONAL PIER LEASE

LESSEES/APPLICANTS:

Ayshe Tuncer and Deniz Tuncer

AREA, LAND TYPE, AND LOCATION:

Sovereign land in Lake Tahoe, adjacent to 3436 Edgewater Drive, near Tahoe City, Placer County.

AUTHORIZED USE:

Continued use and maintenance of an existing pier previously authorized by the Commission and two existing mooring buoys not previously authorized by the Commission as shown on the attached Exhibit A.

LEASE TERM:

10 years, beginning June 23, 2011.

CONSIDERATION:

No monetary consideration pursuant to Public Resources Code section 6503.5.

SPECIFIC LEASE PROVISIONS:

Insurance:

Liability insurance in the amount of no less than \$500,000.

Other:

The proposed lease contains a provision requiring the Applicants to obtain authorization from the Tahoe Regional Planning Agency (TRPA) for the mooring buoys within two years after the adoption of a Final Environmental Impact Statement (FEIS) for the Lake Tahoe Shorezone Ordinance Amendments and approval of the amended ordinances. This is a continuation of the process the Commission used from approximately 1995 to October 2008 when TRPA adopted an FEIS and Ordinance Amendments supported by the FEIS. When additional information is available, Commission staff will advise the Commission on any suggested

modifications to the process used by the Commission pending resolution of the TRPA FEIS and amended ordinance issues.

OTHER PERTINENT INFORMATION:

1. Applicants own the uplands adjoining the lease premises.
2. On December 9, 2004, the Commission authorized a Recreational Pier Lease with Ayshe Tuncer and Deniz Tuncer for the existing pier. That lease will expire on December 8, 2014. The Applicants are now applying for termination of the existing lease and issuance of a new Recreational Pier Lease to accommodate a new 10-year term which includes the existing pier and mooring buoys.
3. The Applicants' two existing mooring buoys have been in Lake Tahoe for many years, but have not been previously authorized by the Commission. The Applicants qualify for a rent-free Recreational Pier Lease because they are natural persons who own the littoral land that is improved with a single-family dwelling. Staff recommends approval of the existing mooring buoys within the lease premises.
4. **Termination of Existing Lease:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines [Title 14, California Code of Regulations, section 15060(c)(3)], the staff has determined that this activity is not subject to the provisions of CEQA because it is not a "project" as defined by CEQA and the State CEQA Guidelines.

Authority: Public Resources Code section 21065 and Title 14, California Code of Regulations, sections 15060 (c)(3) and 15378.

5. **Issuance of a New Lease:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

6. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370, et seq., but such activity will not affect those significant lands. Based upon

the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
