2. The State of California acquired fee ownership of the Huntington Harbour Main and Midway Channels in 1961 as a result of the land exchange agreement entered into between the Commission and the Huntington Harbour Corporation, recorded as Sovereign Lands Location No. 34 dated December 22, 1960 and recorded on January 31, 1961 in Book 5611, Page 470, Official Records, Orange County, California. Projects, including new development or maintenance of existing facilities, extending into these Channels beyond the bulkhead line require a lease from the Commission pursuant to Public Resources Code section 6501.1. The Applicants' upland property is located along the Midway Channel of Huntington Harbour.
3. On April 24, 2001, the Commission authorized the issuance of a Recreational Pier Lease, PRC 3253.9, to Cynthia D Williams, for a 10-year term, effective April 1, 2001. The lease expired on March 31, 2011. On March 10, 2011, State Lands staff was informed that the property was sold to the Applicants on March 7, 2011. The Applicants are now applying for a new General Lease – Recreational Use for the existing boat dock and access ramp as well as for the existing cantilevered deck. A five-foot portion of the cantilevered deck extends over the State's fee owned land in the Midway Channel of Huntington Harbour, and was not previously authorized by the Commission. Since the deck is existing, staff is recommending that it be included in the lease.
4. The existing boat dock and access ramp qualify for rent-free status as the Applicants are natural persons who own the littoral land improved with a single-family dwelling pursuant to Public Resources Code section 6503.5.
5. The existing cantilevered deck does not qualify for rent-free status because it is not used for the mooring or docking of boats. Therefore, that portion of the deck extending over State fee owned land within the Harbour is subject to annual rent pursuant to Public Resources Code section 6503.
6. **Existing Facilities:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

CALENDAR ITEM NO. **C91** (CONT'D)

7. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370, et seq., but such activity will not affect those significant lands.
