a continuation of the process the Commission used from approximately 1995 to October 2008 when TRPA adopted an FEIS and Ordinance Amendments supported by the FEIS. In September 2010, the U.S. District Court invalidated the FEIS and nullified the Amendments. When additional information is available, Commission staff will advise the Commission on any suggested modifications to the process used by the Commission pending resolution of the TRPA FEIS and amended ordinance issues.

OTHER PERTINENT INFORMATION:

1. Applicants own the upland adjoining the lease premises.
2. On December 9, 2003, the Commission authorized a 10-year Recreational Pier Lease with The Sol and Nettie Scherman Family Limited Partnership. That lease will expire on December 19, 2013. On June 19, 2012, the upland was deeded to Mark A. Mariani and Melody Ann Mariani, Trustees of the Mark and Melody Ann Mariani Revocable Trust UAD 1/9/97. The Applicants are now applying for a General Lease – Recreational Use.
3. Staff recommends termination of the existing lease because the Lessee abandoned the lease by selling the property and facility without executing a quitclaim deed and the Lessee cannot be located.
4. **Lease Termination:**
The staff recommends that the Commission find that the subject lease termination does not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.

Existing Pier, Covered Boathouse, and Two Mooring Buoys:

The staff recommends that the Commission find that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands.
