Commission pending resolution of the TRPA FEIS and amended ordinance issues.

OTHER PERTINENT INFORMATION:

1. Applicant owns the upland adjoining the lease premises.
2. On February 21, 2003, the Commission authorized a 10-year Recreational Pier Lease to the Dill Corporation for the relocation and reconstruction of an existing pier and the use of two mooring buoys. The lease expired December 31, 2012. Staff has determined the existing pier is above elevation 6223 feet Lake Tahoe Datum and therefore outside of the Commission's leasing jurisdiction. 3. The staff recommends that the Commission find that this activity is exempt from the requirements of the California Environmental Quality Act (CEQA) as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

4. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
